November 1982

No. 1

This will be the introductory edition of what I hope will become a regular Quarterly Newsletter. Many people have written me requesting this and a few have sent in funds to make it possible, while others have written, asking to be on the mailing list. To those of you who sent financial help, many thanks. This issue would have been impossible without your contribution. Since I have no church or patriot organization backing me financially, this project will have to support itself to continue. With the cost of printing and mailing raising constantly, this is the only way this project can succeed. (See further information on subscription on last page.)

Many of you know that because of the stand I have taken on controversial, but very important subjects such as the "Pre-Tribulation Rapture of the Church," and the "Jews are not God's Chosen People," my yearly finances have been cut-in-half. I have been "blacklisted" in most of the Fundamental churches I served for 18 years, not because of my stand on the fundamentals of the faith, but because I refuse to "bow down" before Pharisaic tradition.

Several new books and pamphlets are being prepared. **THE SATANIC COUNTERFEIT**, a book on the Protocols of the Learned Elders of Zion, is already available at \$3.50 per copy postpaid; 10 or more for \$2.50 each. A new book from Destiny Publishers, with a foreword by Dr. Howard B. Rand, will sell for ~~\$3.50~~ (It will be \$5.00 from Destiny.) Its title will be **READ THE TALMUD — KNOW YOUR ENEMY!** I am hoping to have the hardest hitting of all in print soon, **SATAN'S KIDS!** which will show Jewish control over America's news media, economics, politics, education and the church. It will name names and have a great deal of documentation. Several new pamphlets are now being printed, including a Revised Edition of an old favorite, **DON'T BE A FOXHOLE CHRISTIAN**, which has been reprinted by popular request. Soon also there will be a new cassette tape on **FIREARMS AND FREEDOM!**

The format for this Newsletter will be a little different than most. Present planning calls for at least five sections:

- SECTION I - ISRAEL IDENTITY.
- SECTION II - IDENTITY THEOLOGY.
- SECTION III - THE JEWISH QUESTION DISCUSSED.

SECTION IV - NATIONAL AND WORLD AFFAIRS.

SECTION V - INTELLIGENCE REPORT.

All information given will be from a strong spiritual, Scriptural background, since I am convinced that our problems are not political. Being moral and spiritual, they must be met in this perspective.

Some Christians may disagree with my use of the Christian warrior on the letterhead, especially since he bears on his shield the word **LAW**. Many of our American Christians have been "brainwashed" in their churches, to believe that Christ did away with the Law on Calvary. I believed and preached this for eighteen years, not knowing I had been "taken in" by the Jewish fables Paul warned against in Titus 1:14 — "Not giving heed to Jewish fables, and commandments of men, that turn from the truth." Why Christians believe this false teaching, when Jesus Himself said in Matthew 5:17 — "Think not that I am come to destroy the law and the prophets: I am not come to destroy, but to fulfill," I do not know.

A few verses farther (vs 19) He says: "Whosoever therefore shall break one of these least commandments and SHALL TEACH MEN SO, he shall be called **LEAST IN THE KINGDOM OF HEAVEN...**" (Emphasis added.)

Acts 13:39 indicates that we are not "justified" (made perfect in the sight of God by the law of Moses) but that "not the hearers of the law, but the doers of the law, are justified," (Romans 2:13). This may seem like a contradiction to some, but it is not. We are saved by faith, through grace (the unmerited favor of God - Gal. 2:16; Titus 3:7), but Romans 3:31 indicates that we do not make "void" (or do away with) the law through faith; rather, we establish it!

Every revival sermon preached in the New Testament, beginning with Peter's great sermon on the Day of Pentecost, was from the "law and the prophets," (see Acts 28:23, 24 for an example.) The final definition, that shows why I used the word **LAW** on the Christian soldier's shield is found in 1 John 3:4 — "...sin is the transgression of the law." The Apostle Paul says that Christians should "delight in the law of God," (Romans 7:22), while James (1:25) tells us about "the perfect law of liberty," and 1 John 5:3, says: "For this is the love of God, that we keep His commandments; and His commandments are not

grievous." So any preacher who tells you that a Christian does not have to live by the law and that it was done away with, doesn't know very much about the Word of God.

(This explanation will take the place of Part II -IDENTITY THEOLOGY, in this issue.)

Before I go into the body of this first letter, may I suggest that readers send in suggestions as to contents of future letters. Also pass on these Newsletters to let as many concerned folks as possible, know the truths they will contain.

SECTION I - ISRAEL IDENTITY.

There is a great controversy going on today concerning the identity of God's Chosen People. In 1 Corinthians 11:19, the Apostle Paul tells us, according to Weymouth's translation: "For there must of necessity be differences of opinion among you, in order that it may be plainly seen who are the men of sterling worth among you."

Today a logical question for Christians to ask is: "Where is the seed of Israel?" Where is that nation which "moon, stars, seas, heaven, earth, day and night" (Jeremiah 31:35-37; 33:25) demand as being in existence today? It is certainly not the people we now call Jews — either of the Biblical or the present day, since they comprise many people of different races and nationalities — all following a traditional religion based on man's deductions. It can not be the Christian Church, since that too, like the Jews, is comprised of many people of different races bound together in what today is admitted as being "Judeo-Christian affinity." Where then is the seed of Israel?

While some may consider this to be a personal interpretation — it's at least a God honoring one — the Anglo-Celto-Saxon and Kindred European people have a history which follows very closely what our Lord said His Israel would be. There are no other peoples who now have, or who ever have had, these characteristics. They certainly have "spread abroad," (Gen. 28:14). They have possessed lands which appear to have been reserved for them, (Deut. 32:7, 8). They certainly have become "a great nation and a company of nations," and they have been motivated by the Bible, God's Word — even when it has been in some "watered down" version. The Reformation, which took place among these people and which broke the links with the Babylonian-Roman religion which had kept them in spiritual darkness, was not only within the framework of the Lord's intention to "raise them up," but was also within the time scale declared by Him. (Hos. 6:1, 2). It is significant to note, that when Anglo-Saxondom threw off the one-world religious yoke of Rome, they immediately thereafter resisted all efforts at re-incorporation and have fought against the one-world political doctrines promulgated by world Jewry in its present day's guises.

When we see what is happening in Britain, Canada, the United States, Australia, New Zealand, South Africa, Germany, France and the other related nations, we see a picture of national decline, as the colored nations rise to dominance. Yet these Anglo-Saxon people cannot see what is happening to them. This is a mark which the Lord said would characterise His people in these days — a mark that would be attendant on their continued transgression of His Holy Law. (See Deut. 28:28, 29). He said of His people: "Hear, ye deaf; and look ye blind, that ye may see," (Isa. 42:18). This is a situation which cannot be applied to either the Jews, or the Christian Church.

Today, it seems as though every fiend of hell has been loosed against the one people who bear — both in greatness and in decline — the marks which our Lord placed on His people. As one looks at Anglo-Saxondom, with all the filth of lawlessness which is gripping them, one must be brought face to face with the reality of what is described as the "end of the age." What we see happening in these nations, is the final battle of the ages, for Satan has indeed opened his armory and is using every weapon at his disposal in an attempt to destroy the one people whose inheritance is guaranteed against extinction.

When we look at religion, we find every perversion that the mind of Satan can conjure up, being practiced among these people. If one looks at politics, the same perversion is to be seen, with government bending over backwards to accommodate the awakened wants of the Colored races — even going so far as to discriminate against the people who have elected them. In private lives, one finds that the family, the basic unit upon which national strength is founded, is saturated with the permissiveness which lays stress on people "doing their own thing," rather than what is right in the eyes of God. Marriage is breaking down; white families are growing smaller, and the coloreds are beginning to "take over the nation," just as the Word of God predicts.

Religious "hocus pocus" is on the increase, as Christians are taught Jewish fables, (Titus 1:14) in preference to the truth of God. How long will it be before the "seed of Israel" ceases to be a composite whole, through which the promises of the Lord can be fulfilled?

The most bitter opponents of this Biblical truth, are the Fundamentalists, who should be in the forefront of declaring it, since the base of their belief, so they claim, lies in the authenticity of the Bible as the "revealed Word of God."

If the fundamentalists and evangelicals were free to discuss this subject, using as their textbook first the Bible, then history, many of the difficult Bible passages would be revealed and would open as a flower to the morning sun. But to do this, they would have to admit they have been wrong; that their seminaries have not taught the "whole counsel of God," and this they refuse to do. When a Fundamentalist learns this truth, as a few of us have been fortunate to be so called, and try and enlighten our spiritual brethren, we are subjected to outright persecution and many times are "blacklisted" as an apostate.

So in this first issue, in order to lay the foundation for others, let me briefly mention three schools of Theological thought, concerning this controversial subject:

1 - THE JEWISH SCHOOL - According to this teaching, accepted by most Fundamentalists and Evangelicals, the people we today know as Jews, are considered to be the hereditary descendants of the ancient Hebrews, whom the Bible calls, the "Chosen People of Jehovah." When asked an embarrassing question such as: "Do you really believe that black singer Sammy Davis, Jr. is a descendant of Abraham?" nine times out of ten, they will loose their "cool" and will show their Christianity by getting "mad."

There are multitudes of promises to Abraham, Isaac and Jacob, which have never been and can never be made to those people we call "Jews." Yet the only people on earth, who meet the qualifications laid down for God's Chosen, are the one's we know as white, Anglo-Saxon and

related peoples, known as Christendom. If that makes me a racist, then I sure am one, for this is a truth an honest person can not deny. (Send for my pamphlets, PROOFS OF IDENTITY, 50¢ and/or WHO IS TRUE ISRAEL, 35¢ postpaid.)

It is a recognized fact, supported by many Jews themselves, that a large percentage of modern Jews, possibly as high as 90%, are either agnostics, or out-and-out atheists. A large majority have no Semitic blood in their veins, no matter how loud and long the Fundamentalists cry to the contrary. You can't make a "son of Abraham," out of a Mongolian heathen. This the church has tried to do, to their own destruction. If this truth were known widely, then the Israeli's claim to the land of Palestine would be "null and void." They know this, so will fight to the death to keep Christians from knowing this truth. (See Jewish writer, Arthur Koestler's book THE THIRTEENTH TRIBE and Benjamin Freedman's FACTS ARE FACTS, both available from Christian Research, 279 Spring St., Eureka Springs, AR 72632.)

Then turn in your Bible to Esther 8:17 and read how vast numbers of Persians, were converted to Judaism, "for fear of the Jews." (It should be remembered that this vast empire, covering 128 provinces, stretched from India to Spain. So many Jews in this entire area, had no Abrahamic blood flowing in their veins.)

In 2 Samuel 7:10, we find a clue to the fact that Palestine was not the only land given by God to His true people, as we have been taught in most churches. The prophet Nathan was speaking to King David, in his palace in Jerusalem and told him: "Moreover, I will appoint a place for my people Israel (but why appoint a place, if they were already there?) and WILL PLANT THEM, that they may dwell in a place of their own, and move no more."

A little common sense will show you that this "appointed place," was not in Palestine. In Strong's Concordance, #7760, the Hebrew word for "appoint" is "siym." This means "to set up; or ordain." The word "plant," #5193, is "nata", which means "to fix or fasten.")

God was literally saying to David: "I will set up a place for Israel and fasten them there." This is exactly what He did when He led our ancestors here from the Old World. There are a multitude of clues, which give authenticity to this claim. Let me give you but one interesting clue. In Isaiah 41:18, 19, God is talking of this land when He says: "I will open rivers in high places, and fountains in the midst of the valleys; I will make the wilderness a pool of water, and the dry land springs of water. I will plant in the wilderness the cedar, the shittah tree, and the myrtle, and the oil tree; I will set in the desert the fir tree, and the pine, and the box tree together." The clue is in the word "myrtle tree." This tree, the same as the ancient Cedars of Lebanon, have been extinct in Palestine for 2,000 years and now grow in only one other location on earth. Do you know where that is? It is in California. They are what we call the Redwood. Isn't it exciting to realize that more than 5,000 years ago, God planted those trees (His Word says so), in the wilderness of California, in preparation for His people, as they came from Europe, to their "appointed place" in the New World.

From the very beginning America was a nation of Christians and it was settled by and for white people. We made one of our biggest mistakes, when we allowed the Jews and the colored races to come like a swarm of locusts

into this nation. They are having the same effect that locusts have on a field of grain.

2 - The Second School of Thought is the CHURCH SCHOOL:

These folks usually accept the proposition that the modern day Jews are "God's Chosen People." One pastor told me: "Every Christian recognizes that Jews are the descendants of Abraham; that's what the Bible says and that's that." But that isn't what the Bible says. That is the teaching of Jew contaminated, Judeo-Christianity. The Fundamentalists and Evangelicals alike, treat these anti-Christians as though they were some kind of demi-gods. But the Church School also teaches that the Church has taken the place of Israel and that Christians have been spiritually promised all that God promised to the Patriarchs. These promises have been assigned to the Church.

But nowhere in the Scriptures can you find where God substituted the Church for "true Israel." God's promises to an earthly nation, and this most certainly is not the Jews, can never be fulfilled in the Church. True Israel was to be an elect company of servant nations, with members of the Church in their midst. In prophecy, it is foretold, over and over again, that this combination would become a blessing to all the world. The Jews have never witnessed for God and His Son. They hate and blaspheme Him! In fact, the God the Jews worship today is not the God of the Hebrew fathers. This can be understood by reading various contemporary Jewish authors. Some of them, when in a boasting mood, will confirm that their God is Lucifer, who they say was a brother of Jesus and the one to whom the birthright was due. Spend some time reading what the Jewish Talmud has to say and see for yourself, what they believe about God and His Son, our Lord. (I have two books which will be helpful, THE SATANIC COUNTERFEIT, dealing with the PROTOCOLS OF THE LEARNED ELDERS OF ZION, and KNOW YOUR ENEMY!! which deals with the Talmud, both are \$3.50 each, postpaid.) The Jewish leaders will tell you with a straight face: "We Jews will become our own Messiah!"

If you will take an honest look at what has happened in the Christian countries of the world, you will not need to be a brilliant Bible scholar to see that the Bible promises have never been fulfilled in the Jews, but that they have been and are being fulfilled in the nations of Christendom. If you were to find an intelligent young person on a remote island, who had never heard of the Bible and God's promises to a special people — he had never heard of Jews, or a Church — if you were to give this young person a copy of the Bible and asked him to study it carefully, when he had completed his study, 100% of the time he would say: "The marks of Israel can only be found among the Christian nations of the world."

3 - This brings us to the Third School of Thought, the Anglo-Israel School. (Do not confuse this with the British-Israel cultism taught by Herbert W. Armstrong.)

According to Identity teaching, the British Commonwealth of nations, the Americans, the Anglo-Saxon nations, Scandanavia, Celtic, Germanic and related peoples, are lineal descendants of ancient Israel and represent the "lost sheep of the house of Israel," to which Jesus said He was specifically sent. (Matt. 10:6, 15:24.) It's dif-

difficult to be any more specific than this. This will be the thesis I will seek to prove in this and subsequent sections of this Newsletter. Hand these copies on to your non-Identity friends, especially those of Fundamental beliefs. I believe when the truth finally dawns, maybe is "beaten into their heads" by circumstances beyond their control, these will be the people who will wake up to their Identity and who will make up the bulk of the "army of the Lord." Our main textbook in these discussions, will be the Holy Word of God, the Bible, backed by secular history.

In this Section I am going to depart from the teachings of some Identity preachers and by so doing may cause a bit of controversy. I am not worried about this, I am well acquainted with the gentlemen. Unfortunately, some Identity preachers insist that all that is necessary for a man or woman to enter into the Kingdom, is for them to be of Anglo-Israel descent. This is contrary to the plain teaching of the Word and makes about as much sense as it would to turn your three-year-old loose in the kitchen, when you knew the kitchen table contained food, garbage and potassium cyanide. I rest my case on the words of the Son of God, when in John 3:3, He told a Pharisee: "Except a man be born again, he cannot see the kingdom of God." CASE CLOSED! Ezekiel 20:37, 38 substantiates this teaching, when it says: "And I will cause you (Israel) to pass under the rod (of God's correction), and I will bring you into the bond of the covenant: And I WILL PURGE OUT FROM AMONG YOU THE REBELS, AND THEM THAT TRANSGRESS AGAINST ME: I will bring them forth out of the country where they sojourn AND THEY SHALL NOT ENTER INTO THE LAND OF ISRAEL: and ye shall know that I am the Lord." CASE CLOSED!

Those people in the Fundamental and Evangelical camps who refuse to distinguish between the so-called Jews of today (See Rev. 2:9; 3:9) and true Israelites and then go ahead and mix them up with the Church, are remiss in heeding the admonition of Paul in 2 Timothy 2:15, when he said: "Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth." Very few of them can honestly say they have done this!

SECTION II — IDENTITY THEOLOGY

Already covered in the introduction.

SECTION III — THE JEWISH PROBLEM.

There is no more controversial subject in the world today than that which concerns the Jews and their aspirations. While one may freely discuss Blacks, Whites, Protestants, Catholics, Mormans, Muslims, you name it, without getting into too much hot water, any attempt to pierce the cloud of mystery which surrounds the Jew, is immediately met with the cry of Anti-Semitic prejudice. Criticize a Christian when he does wrong and the world praises you; criticize a Jew and they crucify you. Today, nations tremble and politicians, preachers, priests, educators and the media cringe before what the Bible calls: "the fear of the Jews." (See John 19:38; 9:22; 7:13; 12:42.)

What I will attempt to do in this Section over the months ahead, is throw the most powerful spotlight in the world, on this thorny question. We will examine it under the searchlight of God's Word. My hope is not to teach Christians and others to hate the Jews — we should hate all

workers of evil according to Psalm 139:21, 22. Certainly there is no other group of people on the face of the earth, who are more bitterly and openly anti-Christ, than these people we call Jews. (See 1 John 2:22, 23).

The word "Jew" and "Israel" have been made synonymous terms by the Fundamentalists and Evangelicals. They teach that the return of the Jews to Palestine is the fulfillment of the promise made to Israel in the Old Testament. In his book ANTI-SEMITISM, the super-intellectual, Lt. Col. R. B. Thieme, pastor of the Berachah Church in Houston, Texas, says this about the Jews. "The Jewish race is the youngest yet the greatest of all races in history. God formed this race for the specific purpose of being instruments for the development and dissemination of the Old Testament Canon... Abraham, a Gentile, was circumcised at the age of ninety-nine to become the father of the Jewish race." Now for an intelligent man like Dr. Thieme, this is "intellectual dishonesty" of the worst sort, for he should know that Abraham was not a Jew, and that there were no people in the Bible called Jews until sometime about 1200 years later, when they first appear in the Bible in 2 Kings 16:6. In his book ISRAEL'S FINAL HOLOCAUST, Baptist evangelist Jack Van Impe, says: "All prophetic truth revolves around the Jews...The Old Testament prophets were careful to outline the events of the end time as they would affect Israel and the world. They saw a return of the Jews to their homeland in the latter days. Does the existence of the State of Israel fulfill that prophecy?" Now I would have to respond by saying that nowhere does the Bible say that "Jews would return to Palestine." Israel, yes! the Jews, No! They are not one and the same. He goes on to say in a later chapter: "Propaganda against the Zionists by anti-Semites began to be circulated, associating the movement with a conspiracy to rule the world." I wonder how he equates this with the statement made by Goldwin Smith, Jewish Professor of Modern History at Oxford University, in October 1881, when he stated: "We Jews regard our race as superior to humanity, and look forward not to its ultimate union with other races, but to its triumph over them." Or to the article which appeared in THE AMERICAN HEBREW, the leading Jewish newspaper in the United States, on September 10, 1920 which said: "The Bolshevik Revolution in Russia was the work of Jewish brains, of Jewish dissatisfaction, of Jewish planning, whose goal was to create a new order in the world. What happened in Russia, shall also, through the same Jewish mental and physical forces, BECOME A REALITY ALL OVER THE WORLD." Now I wonder who knows the most about Jewish plans, a "brainwashed Baptist evangelist" or the Jews themselves? On page 24, Van Impe states: "Israel is finally back in her land. This is the keystone of all Bible prophecy concerning the end time. All other factors of the prophetic picture would be meaningless had not the Jews returned to the land of their fathers." Yet Menachem Begin, has not one drop of Abraham's blood flowing in his veins; his background comes from a heathen, Mongolian tribe. What fools men become, when they substitute men's thinking for what the Word of God really says.

Van Impe goes on to say: "The overwhelming prophetic truth of this hour is that Israel exists as a nation. Born in war, surrounded by hostile neighbors bent on her extinction, Israel has survived." Not one word is said

about the fact that more Jews are leaving Israel every month, than are coming in. (A fact which is greatly disturbing Israeli officials.) Not one word about the fact that this little "bandit country" has the highest inflation rate in the world and the highest per capita taxes, and that this anti-Christ people are only kept afloat by a tremendous outpouring of American tax dollars. Israeli officials have admitted, that without the help of the United States, they would "go under" within six months. While America's preachers spout the words of Genesis 12:3, "I will bless them that bless thee and curse him that curseth thee," they have taken these words completely out of context. They have told their "brainwashed" parisheners that God has been good to America because we have been kind to the Jews. The truth of the matter is that America has gone "downhill faster" since we recognized the state of Israeli in 1948, than at any time in our history. They have said, Israeli has been successful in all her wars, because God is on their side. They never tell their people that Israeli has always had the best of America's equipment and that when our own armed forces were in need of this equipment, the priority was to the nation of the Israeli, who hate our God and look on us "goyim" with the utmost contempt.

Today, the Jews have developed their thinking to where anything less than total submission to the Jews and the Zionists and you immediately are labeled as a "Jew hater," and "anti-Semitic." Even the Jewish leaders who tell their people about their Judeo-Christian heritage. Jesus said: "Ye cannot serve two masters." How then can we love God on one hand, while with the other we help and build up the one's who hate His Son and curse His church? In Stan Rittenhouse's book FOR FEAR OF THE JEWS, written by a Fundamentalist Baptist whose eyes have been at least partially opened, he quotes a Reuters New Service article datelined Paris, where the grand rabbi of France, Rabbi Rene Sirat is quoted: "If one can legitimately speak of friendship between Jews and Christians, one cannot, without abusing language, speak of Jewish-Christian religion. Nobody in the world has the right to proclaim himself both a Jew and a Christian." This same article points out that the Grand Rabbi, on the occasion of his installation as head of France's 600,000 Jews, listed Judeo-Christian relations among the seven dangers facing the Jewish community.

With Zionism being so blatantly anti-Christian, it bodes ill for the Christian world, when its religious leaders hear, see, and speak on evil of Zionist-Israel. While Fundamentalists pride themselves on believing and teaching the Word of God, they would rather die for Israeli than for the Word of God. "Ye cannot serve two masters, for you will either love one or the other." When a preacher becomes so afraid that the Jews will call him anti-Semitic, that he refuses to tell his people the truth; that man and that people are on the road to destruction. False shepherds, who refuse to teach the truth, can never lead men into the right paths of righteousness.

In Hosea 2:17 and again in Isaiah 62:2, we are told that "true Israel" would be called by a "new name." The white nations of Christendom have that name now — it is CHRISTIAN! The Jews name has never changed and they are today what they were in Paul's time when he said to the Christians of Thessalonica: "...for ye also have suffered...of your own countrymen, even as they have of the Jews: Who both killed the Lord Jesus, and their own

prophets, and have persecuted us (Christians); and please not God, and are CONTRARY TO ALL MEN." (Emphasis added).

Van Impe goes on on Page 85, to further the "big lie" of the Zionists by saying that the German people killed 6-million Jews during World War II. He said: "The population of European Jews in 1939 was 9,737,200, but that in 1945, the population was only 3,505,130." Now this is implied dishonesty, because he failed to tell his readers about the millions of Jews who escaped to Russia before the German armies ever moved East. (Apparently this Baptist evangelist is interested only in truth which benefits Israeli.) The information he so badly twists out of shape, is available to anyone who wants to look it up. In 1939, the world Almanac showed the world Jewish population as 15,688,259. Nine years later, after the war, the Jewish owned and controlled New York Times reported the world Jewish population to be between 15,600,000 and 18,700,000. What became of the 6-million who were supposed to have been eliminated? A careful check will show you that most of them who were "gassed and cremated" in the German prison camps, are now drawing reparations from Germany. (And they didn't come back through a "reincarnation.")

Quoting again from FOR FEAR OF THE JEWS, Rittenhouse quotes a leading Israeli journalist and former war correspondent, Har-Shefi, as saying: "I think the Holocaust is used in the States as a 'squeeze apparatus' — to squeeze money and sympathy for Israeli — it is being elevated to a sphere of mysticism and Jewish destiny. You can get a mental sauna treatment — just enough sweat and tears to feel elevated." It may affect some Christians like this, but it makes me want to vomit!

Those preachers of the Gospel who equate the Jews as being one with Israel and who call the Patriarchs, "Jews," are guilty of the worst kind of "intellectual dishonesty." No individual could be classified as a Jew, until after the time of Judah (one of Jacob's twelve sons.) Even then, it was not until the time that Israel was divided, about 975 B.C., that there were people who were known as "Jews." The first use of the word "Jew," in the KJV of the Bible, as I indicated before, is in 2 Kings 16:6 and in the original 1611 translation, the word was not "Jew" but "Ioudean," which translated accurately to mean an "inhabitant of Judah." It had no religious connotation.

The promise of God to Abraham was that many nations would come out of his loins and this certainly was not fulfilled in the Jews, who have always been "one people." When Jacob-Israel, blessed the twin sons of Joseph in Genesis 48:19, he said of Manasseh the elder: "He also shall become a people, and he also shall be great: but truly his younger brother (Ephraim) shall be greater than he, and his seed shall become a MULTITUDE OF NATIONS." This prophecy has come true in the United States as Manasseh, and the British Commonwealth of Nations, as Ephraim. It was never fulfilled in the Jews!

The Jews have been a mixed race from the very beginning and the term "Semites" as applied to them is admittedly stupid; as much so as their catch-word, "anti-Semitic." In reality, they are Asiatics, a fact that even Benjamin Franklin understood.

If you disagree with a Jew, because he has stolen the lands of the Palestinians, or because he wants to take all reference to Christ from a school Christmas celebration, or

Bible reading and prayer out of a public school, — which on many occasions his children do not even attend — he spouts that nasty word — ANTI-SEMITIC. In today's vocabulary, that's almost as bad as accusing you of having VD. What the term "Anti-Semitic" really means, is "anti-Pharasiasm." Yet our Lord hated Pharisaism with a perfect hatred and reserved His harshest criticism for these hypocrites. (Literally "play actors.")

You can realize why modern rabbis want the Gospel of John removed from the New Testament; especially the eighth chapter, when you read what He had to say to them.

Anyone familiar with Matthew 23 and John 8:37-44 and related passages, can realize why the Pharisees felt they had to kill the Christ. Every doctrine, every aim and every ethical idea Christ taught, was the exact opposite of the principle of Pharasaic Judaism and every preacher who says that Christianity is "Judeo-Christianity," is bordering on blasphemy. When they smugly say: "Well our Savior was a Jew," they compound their lying felony.

The respected, converted Jewish author, historian, researcher and scholar, Benjamin H. Freedman, writing in February 1, 1953 issue of COMMON SENSE, said: "This 'big lie' technique is brainwashing American Christians into believing that Jesus Christ was 'King of the Jews', in the sense that so-called Jews today call themselves Jews. This reference was first made in English translations of the Old and New Testament, centuries before the so-called Jews hijacked the word "Jew," in the Nineteenth Century, so as to palm themselves off on the Christian world as having kinship with Jesus Christ. This alleged kinship comes from the myth of their common ancestry with the so-called Jews of the Holy Land in the Old Testament history, a fiction, based on fable."

He then goes on to explain the Khazar ancestry of the modern Jew and states: "For some mysterious reason, the history of the Khazar kingdom is conspicuously absent from United States textbooks on history, and from history courses in schools and colleges."

When Benjamin Freedman gave nation-wide publicity to his many years of intensive research into the Khazars, it was so effective and sensational, that the Jews vented their spleen in the nasty ways that only Jews have. They harassed him until his death a few years ago.

Yet in spite of all the propaganda efforts by the Jews, to prove that Jesus Christ — the man they hated more than anyone else in their sotted history was "one of them," — they have been unable to do so. In none of the original manuscripts of Old or New Testament, was Jesus Christ, the Son of God, ever called, or referred to as a "Jew." He was a "Judean" to both the Old and New Testament, but never a "Jew."

PART IV — NATIONAL AND WORLD EVENTS!!

Gen. George Keegan, former Chief of Airforce Intelligence, revealed that the Soviets have violated a Treaty they induced 85 nations, including the United States into signing. This Treaty said that all would agree to discontinue development, production and first use of bacteriological germ warfare agents and nerve gas. We have honored this Treaty and have disarmed ourselves. But the Soviets have not. Today, they are in a position of absolute advantage over all the world. If the Soviets should choose to attack now, Keegan said, "it would be all over in a week in Europe."

There is every evidence that the growing anti-nuclear

movements in Europe and America have been closely orchestrated by the Communists. The pronouncements of pacifist politicians, academicians and preachers, echoes the statement of Bertrand Russell, "Better Red, than dead!" Harvey Cox, the radical, pro-Red seminarian from Harvard, along with 210 other faculty members, has said that "nuclear weapons are contrary to the will of God." How Cox knows what God's will is, is unknown, since he has disassociated Himself from the Almighty for a good many years. He does have an impressive record however, as a career agitator, counselor of draft dodgers and an advocate of what he calls "Christian Communism." When you realize that the first principle of Communism is atheism, it makes you wonder how a Communist atheist could be a Christian. It's sort of like "hot-cold," or "wet-dry." Only a clergyman like Cox, using their "mini-skirted Gospel" of Humanitarianism, could explain an enigma like this.

Not to be upstaged by Cox, the American Baptists, the Episcopal House of Bishops, the Disciples of Christ, the National Conference of Catholic Bishops, the United Presbyterian Moderator and a lot of others who should know better, all jumped on the anti-nuclear bandwagon. They want the United States to disarm, unilaterally, but have very little to say about Soviet reciprocation.

If any of my readers attend a church affiliated with the National Council of Churches, I want you to understand, that the money you put in the collection plate every Sunday, is going to support those who want to destroy white Christian civilization and all the good it has brought to mankind.

Looking at these utter stupidities, you can understand why former General Albion Knight, said that he wouldn't be surprised in the next few years, if there would be a formal surrender of the United States to world Communism, held in the rose garden of the White House.

Maybe an old North Carolina farmer who heard him make this statement is even closer to the truth. He told General Knight: "General, I'm not all that worried about the Communists. What bothers me, is that God may come down here one of these days and say: "Ladies and Gentlemen — you have failed! It's time for me to close the store!"

While President Reagan has called on the American people to build up our Armed Forces to meet the Communist threat, he has surrounded himself with men from the Council on Foreign Relations (CFR) and the Tri-Lateral Commission, who by their own admission, are concerned with leading America into a one-world government, where we give up our sovereignty and become one with the Soviet Union and other Communist countries. This is the ultimate Zionist plan for world control. Through these men, the International Zionists have engaged in a massive scheme of fraud, robbery and control of Christian America.

Look at the media — CBS, William Paley (CFR); NBC/RCA, Jane Pfeiffer, (CFR); Cable News, Daniel Schorr (CFR); ABC, Ted Koppel and Barbara Walters (CFR); Public Broadcasting, Jim Leher (CFR); Associated Press, Katherine Graham (CFR); UPI, H. L. In the Jewish run, Jewish owned Federal Reserve System, which is not Federal at all, but a private organization run for the immense profit of the International Jewish Bankers, an organization NEVER TAXED and NEVER AUDITED, we have: Volker (CFR-TC); Solomon (CFR-TC); Wallich (CFR); Rice (CFR); Woodbridge (CFR-TC); Platten (CFR); Knight (CFR); Muller (CFR); Weyerhaeuser (CFR-TC).

In the United States Treasury Department, since 1920, there have been 14 CFR members who have become Secretary of State.

In the NATIONAL SECURITY COUNCIL: V.P. Bush (CFR-TC); Secy. of State, Schultz (CFR); Secy. of Defense Weinberger (CFR-TC); Chairman of the Joint Chiefs of Staff Gen. Jones (CFR); Chief of C.I.A. Casey (CFR); Special Advisor to the NSC David Rockefeller (CFR-TC); Another Spec. Inman (CFR); International Bank for Reconstruction and Development McNamara (CFR); Adv. Commission on Intergovernmental Relations Babbitt (CFR); Asst. Secy. of Interior West (CFR).

In addition, there are 36 CFR members in the State Department, including 24 ambassadors and eight Bureau Chiefs.

The U.S. Military has over 100 CFR members in top positions and every top field commander since Gen. Douglas MacArthur, has been a CFR member.

There are eleven major Union Chiefs who are members of either the CFR/TC or both, six hold dual membership. Have the American workers been "sold out" by these advocates of International Socialism?

Chase Manhattan Corp. has 19 top officials who are CFR members; Bankers Trust 9; Morgan Guaranty 14; Chemical Bank 6; 1st National of Chicago 4; and Citibank 6.

Is there a poisonous snake in the bosom of America? Look at the majority of the names, then add a lot who have changed their names from Jew to Gentile, mix well and add the warning of John the Baptist when he spoke to the Pharisees and Saducees in Matthew 3:7 and said: "...O generation of vipers (poisonous snakes), who hath warned you to flee from the wrath to come?" In Matthew 12:34, Jesus our Lord, speaking to this same evil crew said: "O

generation of vipers, how can ye being evil, speak good things? for out of the abundance of the heart the mouth speaketh." Yes indeed we have poisonous snakes in our government and it is time that concerned Americans, especially Christians go on a "snake killing spree." Are times bad and getting worse because our leaders have made "errors in judgment?" Is it because they have "received bad advice?" (partly); is our "government out of control," as some say? Or have we been had by the Zionist snakes? If you have anything between the ears resembling brains, you should be able to answer this one!

NOW IS THE TIME FOR ACTION! Notice the large percentage of Jewish names among those who are anti-American, then ask yourself this question: "How long will Christian America last if these are allowed to lead?" Has the time come, when as Thomas Jefferson said: "when a long train of abuses and usurpations (by our government), pursuing invariably the same object evinces a design to reduce them (the people of the U.S.) under absolute despotism, it is their RIGHT, nay, it is their DUTY, to throw off such a government and provide new guards for their future security."

You say: "But they are too strong and we are not strong enough." May I paraphrase Patrick Henry, when speaking before the Virginia Convention in 1775, attempting to rally his countrymen to the cause of American freedom, he shouted: "They tell us sir, that we are weak, unable to cope with so formidable an adversary. But when shall we be stronger? Will it be next week, or next year? Will it be when we are totally disarmed and a British guard is stationed in every house?" This is what International Jewry seeks for America. This is behind every move to disarm patriots under the guise of controlling deaths from guns. How long, Christian Patriots, will ye halt between two opinions?

With the exception of the Mexican War, all the wars in which the United States has been engaged, have been started by Jews, for Jewish purposes. (There is documented evidence for every war.) Over a million young Americans, the cream of the crop have been murdered in these Jew-inspired wars.

But disregard the past and look at the 20th Century, where the number killed in Jew instigated wars and murdered in other ways by their Satanic plots, numbers between 150 - 200 - million, mostly whites — and they have the gall to talk about 6-million who never were liquidated as they claim.

But we are Christians. We are told to be kind to our enemies. We are not allowed to retaliate in kind. If it were possible for us to do so now, we would not wantonly kill Jewish women, children and old people, at least most of us wouldn't. There might be a few "sickies" in our midst who would delight in tearing women and children limb from limb, but not those who are Christian. But we must defend ourselves. Remember the Jew is a parasite. Like the ticks that live on cattle or sheep, they live off "true Israelites" and the heathen (mostly the Anglo-Saxon and related people). So we could easily start off, not with bullets, but by cutting off their supply of blood. Stop buying from the Jews; refuse to sell to them, to do business with them. "Oh," but you say, "that would ruin my business." But it might keep you alive and free! Advertisers on TV and in the daily newspapers are helping the Jews, so boycott them! Television preachers like Jerry

Falwell, and Pat Robinson, and Billy Graham are Jewish stooges, so refuse to support them with the Lord's money. Give to someone who supports Christian America, not anti-Christ Judaism. Don't socialize with the Jews. Don't vote for those they support and who support them. This will be as effective as using insecticide on fleas. You say: "But that will make them mad and they will really cause us trouble." So what! Are you a man or a coward? One thing it would do, it would drive them out in the open; they would have to leave the protection of their "smoke screen," and if this happened, a lot of the "brainwashed" Americans who now support them, might begin to realize what fools they have been. **THE TIME HAS COME! IF WE CAN'T VOTE THEM OUT! THROW THEM OUT! BUT GET RID OF THE PARASITES!**

SECTION V — INTELLIGENCE REPORT

You have read about the huge amount of Soviet war materials left behind by the PLO in Lebanon. The newspapers say that 150 heavy trucks each day, are making their way south from the Beirut area. Have you ever wondered whether it might have been planned that way? What better way for the Communists to furnish their "soul mates" of Judaism, with the arms to conquer the Middle East? while hiding their intentions under a cloak of anti-Semitism. "But the Soviets are persecuting the Jews in Russia," you may have been told. Then how come, the millionaire set of Russia, and there are many, mostly living in the Odessa area, are more than 90% Jews? You didn't know that, did you? Why don't you ask your "pro-Jew" preacher to explain this to you. Did you know the same thing happened during the Egyptian-Jewish War. The Russian Advisors of the Egyptian army, advised them to move most of their Russian supplied heavy equipment into the Sinai and they did this, against the protests of officers like Anwar Sadat. Then what happened? The same thing which has happened in Lebanon. The Jews attacked and got millions upon millions of dollars worth of Russian equipment.

You may wonder why I have said that Jews and Communists are "soul mates?" Listen to this article taken from **THE JEWISH CHRONICLE**; April 4, 1918: "...the ideals of Bolshevism, are consonant (in tune with) the finest ideals of Judaism." Has your pastor ever told you that? The leading Jewish newspaper in the United States, **THE AMERICAN HEBREW**, September 10, 1920: "The Bolshevik Revolution was the work of Jewish brains...of Jewish planning. Their goal was to create a new world order. What happened in Russia, shall also, through the same Jewish mental and physical forces, become a reality all over the world." Ask you pastor about that! You wonder why America has come under their Satanic control? Think on these things!

SPIES AND INFILTRATORS: One of our most difficult tasks in the trying days which lie ahead for American Patriots will be dealing with infiltrators, spies, and Fifth Columnists. Now I believe we need to be extremely cautious about becoming "paranoid" about this. At almost every patriotic meeting I have attended in the last three years, I have been besieged by folks who get me off into a corner, whisper in a conspiratorial tone, while pointing at someone: "He's a Jew, you better watch him." When I ask how they know this to be true, many times they will say: "I know! I can smell them!" Oh come now! I'm

not that stupid; that's a ridiculous statement to make. In fact one of the finest anti-Semites I know, and by this I mean "Jew fighters," looks so much like one you would believe he was — but he isn't, he's pure Anglo-Saxon. Sometimes I feel these folks are more interested in stirring up trouble at a patriotic meeting, than they are in furthering the cause. We can't allow this to happen. So before you accuse anyone, be **ABSOLUTELY SURE!** and this doesn't mean going by **HEARSAY EVIDENCE** either. Unless you have absolute proof...**KEEP YOUR MOUTH SHUT!** Too often, Patriots have the bad habit of liking to brag about **HOW BAD THEY ARE, and HOW MANY GUNS THEY HAVE, AND HOW THEY ARE GOING TO BEAT UP ON ANYONE WHO DOESN'T AGREE WITH THEM.** After working with young men in three wars, I've learned that the loud mouth will seldom do the fighting. I'm a great believer in Teddy Roosevelt's theory of "walking softly, while carrying a big stick." I don't have much admiration for Old King Ahab in the Old Testament, but I have to agree with one statement he made in 1 Kings 20:11 — "Let not him that girdeth on his harness (armor) boast himself as he that putteth it off." I don't have very much respect or trust in a man who is a braggart.

One other thing I would like to mention, which should be of special interest to all Americans who live in areas where there are large concentrations of Mexicans. Information from the National Provisional Government people, P.O. Box 1615, Monrovia, CA 91016, confirmed by many of our intelligence reports, speak of big trouble along the Mexican-American border in the near future.

With the help of Soviet Russia, Mexico apparently intends to reclaim territories of California, Arizona, New Mexico and Texas. A few months ago, a Chicano leader, speaking in Detroit, publicly stated this would take place before the end of 1983. It is common knowledge along the border, that the Soviet Union and Cuba are training troops for this invasion, in the Mexican States facing the border and many large caches of Soviet equipment have been discovered within 50 miles of the border. In spite of this information, which has been sent to the State Department and Pentagon, there has been no strengthening of America's border defenses. In fact the Border Patrols in most places have been depleted, if not completely removed.

Hundreds of thousands of trained Cuban and Mexican terrorists and guerillas are already in the United States — courtesy of our friendly Congressmen in Washington, who do not want to hurt Mexico's feelings, no matter what. The "undocumented, illegal alien," is poised to strike at any time. Your timid, shy little "wetback" may very well be a trained, vicious killer, ready to kill, rob and loot at a moment's notice. To them, you are a "gringo", an intruder on property he believes is his and he intends to get rid of you in any manner necessary.

Those of you white Anglos who live in the Southwest should be warned that it is dangerous for you to hire any Latins to work for you, either in your business, or your home. Not all Latins are enemies; personally I have known and liked many Mexicans, but during a time of war, and this is what we are in, like it or not; you must be sure that you are not hiring an enemy, who may turn on you and kill. The vast majority of the Mexican people are honest, hard working folks, who have been "sold out" to the In-
