No. 1

This issue begins Volume 2, and the second year for the CHRISTIAN PATRIOT CRUSADER. There has been a constant growth of subscribers and I hope it has been as much a blessing to you as it has to me. The research I have done has broadened my field of knowledge tremendously. I hope that you will feel free to offer suggestions and helpful criticism which will make it a better paper.

The BOOK SPECIAL will remain available through 1984: PSYCHOPOLITICS, \$2.50; KNOW YOUR ENEMIES!, \$5.00; THE SATANIC COUNTERFEIT, \$3.50 and SATAN'S KIDS, \$1.50. All four available for \$10.00 prepaid.

Along with the good things always comes criticism and the harshest, unfortunately does not come from the enemies, but those you should consider as friends and allies. This has been true with the CRUSADER and some of my other writings. I have come under fire, especially from the ASSEMBLIES OF YAHWEH, because I use the word GOD in my writings when I refer to the ALMIGHTY, rather than the Hebrew word YAHWEH, and use Jesus Christ, rather than the Hebrew YASHUAH, for God's Son. One man from this group even called me a "heathen bound for hell," because he said I was using heathen names for these two exalted individuals. So let me make an explanation, if I may, which will show you that I am not an apostate.

Since I speak the English language, both in my written work and on tapes or public messages, I usually use English words which are readily understood by the majority of those who read or listen to me. This is definitely Scriptural, since the Apostle Paul tells us in 1 Corinthians 14:9-11 - "...except ye utter by the tongue words easy to understand, how shall it be known what is spoken? for ye shall speak into the air...Therefore, if I know not the meaning of the voice, I shall be unto him that speaketh as a barbarian, and he that speaketh shall be a barbarian unto me." What Paul is saying is that if you speak in a language that others can not understand, you will make as much sense as if you spoke in a foreign tongue.

Now I doubt very much if the good Identity brethren who use the words YASHUAH AND YAHWEH preach in Hebrew. So why should a message be partly in English and

partly in words that the average Christian does not understand? When I speak to an Identity audience which understands the meaning of these Hebrew words, I often use them. But when I speak to a general audience, many of whom have never heard these terms used, I speak in English so they will understand.

The name of JESUS CHRIST, should be a precious name to everyone who has been accepted of Him. I do not object to the use of these Hebrew names, if it makes the speaker feel any better. But please do not condemn me because I want people to understand who YAHWEH and YASHUAH are: "God the Father, and His Son, our Savior!"

Some tell me that the word LORD is the Hebrew word for BAAL, the vile heathen diety of the Phoenicians. But when translated in the Hebrew language it literally means: "to be master, or to marry." It can also be translated as "husband, owner, to have dominion over, captain." The word LORD in Hebrew is YHWH, the "self-existent One." It can mean JEHOVAH, YAHWEH, the LORD, the BEACON, but never can it accurately be translated as BAAL.

When the word BAAL is used, you are speaking of a false diety, but when you say LORD, you are not saying BAAL, since you are not speaking of a heathen diety, but of the SELF-EXISTENT ONE!

Again, some say the word JESUS CHRIST comes from the Greek word "Ee-Zeus Christos", which literally means "Zeus who heals us." But in the Greek language, the words JESUS and ZEUS are written with completely different characters. The only similarity they have is in their sound.

Our relationships with the ALMIGHTY should be founded not on the way in which we pronounce His name, but in our personal relationships with Him. The same is true of our Savior. I have found numerous Identity folks who are adamant concerning the pronunciation of these names, who are not very good examples of what an Israelite should be. The Apostle Paul, speaking of the JESUS I love said: "For I know in whom I have believed..." (2 Timothy 1:12). This my friends is a personal relationship. This is personal knowledge.

I sometimes feel that some of our Identity people are like the man Jesus told of when he said he "strained at a gnat, yet swallowed a camel," (Matt. 23:24). Some use these things as a means of division. If any who read this are in this category, let me give you a word of friendly caution. In Proverbs 6, we are told there are seven things God, or YAHWEH hates. Verse 19 says: "...he that soweth discord among brethren."

Since God has honored and blessed the use of the words GOD and JESUS CHRIST among His Israel people for almost 2,000 years, I will continue to use them with all the reverence due the ALMIGHTY and His precious Son, while at the same time not criticizing those of you who prefer to use the Hebrew words.

May I make a suggestion to those of you who purchase literature from me. Where possible, please order more than one piece at a time. The single orders ruin me financially, since there is no possible way for me to send out a single piece for 50¢ and come out in the "black." Also these small orders take almost as long to fill as the longer ones. Since I do not run my tape and literature ministry on a profit basis and since I am kept in business by the contributions of a few concerned Identity Christians, your help would be appreciated. Now I realize that many of my readers are on Social Security, or a limited income. Please do not let this suggestion keep you from ordering the single copies. All orders are gratefully accepted since the WORD MUST GO OUT!

#### PART I — ISRAEL IDENTITY.

Many Bible scholars fail to realize that God made two covenants with the man called Abram (later his name was changed to Abraham). The first was made with Abram and the second with Abraham. The first was made when Abram was ninety years old (see Gen. 17:1-8).

The main features of this covenant were that his seed (offspring) would multiply greatly and would become many nations. (It is interesting to note that this remarkable forbear of ours was childless at the time this covenant was made.)

The majority of Bible scholars and preachers overlook the fact that God promised Abram that he would become the "father of more than one nation." Instead they often confuse the issue by saying: "Abraham was a Jew and the father of the Jewish nation." This is nothing but rank, intellectual dishonesty, since there were no people known as Jews until almost 1200 years after the time of Abraham. The first mention of them occurring in 2 Kings 16:6. Even then, in the original King James Version of the Bible, the term used was IOUDEAN, which simply means "an inhabitant of Judea." It had no religious connotation. The word "Jew" was not used in the English language until the middle of the Eighteenth Century.

Yet the consensus of opinion among most Christians is that Abram was the father of the Jews and that most of the people we today call Jews are his descendants to whom God's promises apply. It is therefore interesting to note that no less a source than the JEWISH ENCYCLOPAEDIA states that at least 90% of today's Jews

are not Semites at all, but are of Khazar stock, from Eastern Russia, which makes them Turco-Mongolian in origin.

One of the features of the Second Covenant, known as the Abrahamic Covenant, which took place when God changed Abram's name to Abraham, was that a "kingly line" would proceed from his descendants and that these would rule over at least some of the nations which would come from his descendants. This is an utter refutation to the silly remarks made by men such as Gordon Winrod, who attack Identity as being "psuedo-Jewish" and "anti-Christ," because we believe the promises of God for an earthly kingdom. He seems to believe that all we have to look forward to is some heavenly home. That will come too, in time. But our Lord Himself indicated that His Kingdom would be an earthly one when He taught us to pray: "Thy kingdom come, Thy will be done, ON EARTH, AS IT IS IN HEAVEN."

God went so far as to convey this same promise to Abraham's wife, Sarah, who up to this time had been barren. (Remember, she was 90 years old when this promise was made), God told her in Gen. 17:16 - "She shall be the mother of nations; kings of people (R.V. "nations"), shall be of her."

Abraham was so impressed with the absurdity of this promise, since he was a 100 years old, that the Bible says "he laughed in his heart," saying: "Shall a child be born unto him that is an hundred years old? and shall Sarah, that is ninety years old, bear?" Who has ever heard of such a phenomenon?

Another feature of this Covenant was not only of ownership, but of possession of the land. (This is the bogus claim the Jews are making today for Palestine.) The everlasting possession of this land, promised by God, has not yet begun. The Israeli do not fulfill a single one of the Bible requirements of the Holy People. Many preachers say: "The return of the Jews to Palestine is the fulfillment of this prophecy." But this is not true, since the Jews are the false persons spoken of by our Lord in Rev. 2:9, when He told the Apostle John: "I know the blasphemy of them which say they are Jews (Judeans) and are not, but are of the synagogue of Satan." (Compare this with His words in John 8:44.)

The Second Covenant God made with Abraham came years after the first. It came after Abraham had passed the "test" of, to all intents and purposes, sacrificing his only son Isaac. This Covenant, found in Gen. 22:16-18 was made about 26 years after the first.

If you will read this second covenant carefully, you will see that it cannot be broken for any reason, since God swore by Himself and is the responsible party in the contract, (See Gen. 22:16).

Almost without fail, God uses a "double witness" in the Bible. He does this here. In a parting blessing given to Rebekah, the wife of Abraham's son Isaac, we read in Gen. 24:60 - "...Thou (Rebekah) art our sister, be thou the mother of thousands of millions, and let thy seed possess the gates of those that hate them." Only one people in worlds history have fulfilled this promise and that is the Anglo-Saxon and related peoples. The Jews by no stretch

of the most vivid imagination can qualify here. Only the nations of Christendom have possessed the great gates of the world; that is until we gave them back to our enemies. (Suez and Panama.)

But the most important part of the Second Covenant is to be found in Gen. 22:18 - "And in thy (Abraham's) seed shall all the nations of the world be blessed." When these words were uttered there was no way Abraham could understand their full significance. It is only as the Holy Spirit gives full illumination in the New Testament to the Apostle Paul, that we can partially understand their full meaning. In Gal. 3:16 he says: "Now to Abraham and his seed (posterity) were the promises made. He saith not, and to SEEDS, as many; but as one and to thy SEED, which is Christ."

Here we have an allegory (a symbolic representation), that as Abraham had been willing to sacrifice his only son Isaac, so Abraham's seed, Jesus Christ, who was in the spirit the Son of the Living God, would also be sacrificed to bring the blessing of eternal life to the human race. In Hebrews 11:17-19, the writer tells us that as Isaac lay on that sacrificial altar of Genesis 22, to all intents and purposes he was already dead. "And he (Abraham) that had received the promises, offered up his only begotten son...accounting that God was able to raise him up, even from the dead: from whence he also received him in figure."

Abraham accounted Isaac dead. If God had not stayed his hand, Abraham would have sacrificed his only son, the one to whom the promises had been given. What a marvelous comparison. A son of promise; an only son, from whom so much was expected, sacrificed in symbol, and raised from the dead. The prototype of course is God's only Son, Jesus the Christ. The one for whom so much was promised and of whom so much is expected. Yet He was sacrificed, raised from the dead on the third day that: "Whosoever believeth in Him, should not perish, but have everlasting life." Jesus Christ was the SEED of blessing, promised to Father Abraham.

It is true that our Israel forefathers and we today of the Anglo-Saxon and related peoples have failed miserably. It is true that we have sinned and that we have violated our obligations to YAHWEH GOD. It is true that the Law was given to our forefathers because of their sins. It was a bridge to carry them over until the "One Seed" should come, to whom the promise was made.

There is no way this Covenant can be abrogated (abolished or nullified), because "the covenant which was confirmed before God in Christ, the law which was four hundred and thirty years after, cannot disannul (make legally void), that it should not make the promise (Genesis 22) of none effect," (Galations 3:17).

In Hebrews 6:13, the writer, in an effort to encourage the early Christians to believe in the faithfulness of God, said: "For when God made promise to Abraham, because He could swear by no greater, He swore by Himself." We have God's word, that this promise will not be broken, no matter what His Israel people do or do not do. God had said: "I will and you shall," and that's that! So no matter what people like Pastor Winrod say to the contrary, the

earthly promises God made to His people will be fulfilled here on this earth and not in some distant nebulous heaven.

We would be very safe in saying that if God is true to these two UNCONDITIONAL PROMISES, then somewhere in existence today, there are "many nations" (not the Jews), who are descended from Abraham and Sarah. (These do not include the many Arab nations which are descended from Abraham through his maid Hagar.)

In the March 1984 issue of the CRUSADER, the Lord willing, we will go in depth into the study of Israel Identity. As I have mentioned before, those of you who have been in the "know" for a long time, please bear with me if I seem a bit elementary in my explanation, remembering that many, if not most of the readers are hearing this marvelous message for the first time.

## SECTION II — IDENTITY THEOLOGY.

Much of the information in this section has been taken from Dr. J. Franklin Snook's book TO HEAL THE NATION. While the wording may not be the same, I have not changed the basic ideas.

The Israel people of America, which make up the majority of our white population, have been muddling and blundering through the Bible for years. Often they have been led by "blind" leaders in the pulpit, and now on electronic TV, to the point where "if the blind lead the blind, both will fall into the ditch." I do not believe the majority of these religious men are outright evil. By this I mean that I do not believe the majority of them are deliberately trying to lead their people astray. They themselves have been "brainwashed" in the church seminaries, which someone has rightly called "cemetaries." They have followed the Jewish fables and propaganda Paul warned Titus against in Titus 1:14. The sad thing is that very few of them are honest enough to study the Scriptures for themselves and learn the obvious truth. Some do learn, but do not have the courage to stand in the face of Jewish wrath, or face public criticism. (Usually for an economic reason.)

Recently the pastor of a very large fundamental church admitted that he knew the Jews could not be the Chosen People (although this is what he taught). When I asked him why he didn't inform his people of this, he hung his head and said: "I can't. I owe \$1.7-million on this church property and the bonds are held by Jewish bankers. If I told the truth, they would run me out of business." How very sad!

There is little doubt in my mind that this same principle applies to the big electronic evangelists such as Falwell, Roberts, Swaggart, Robinson, etc., They know full well, that if they were to expose the truth of the Jewish conspiracy against God and Christianity, they would be shut off the air waves. So they cater to the opinions of men and their bitterest enemies, rather than to "rock the boat." I often wonder what they will say on that day when they stand before the Judgment Throne of Christ? (Romans 14:10; 2 Corinthians 5:10).

Our nation is fast approaching the "point of no return." I believe we can still maintain our freedom, if we

are willing to do what God has told us to do. But someday, very close ahead, there will come a time, when if we do not repent and turn to God, America will no longer be able to avoid slavery and the suffering which goes with it.

The Bible, which is the Book of Divine Law, will have very little effect on our churches and Christian homes, and ultimately upon the nation, until the "mental cobwebs" spun in our churches, are swept away. This reminds me of the deacon who used to pray: "God, sweep away the cobwebs from before my eyes." One day as he thus prayed, a voice in the rear of the church was heard to say: "Lord, kill that spider!"

One of the big stumbling blocks which has been put before our Israel people in the churches, is the fallacy that Christians are no longer under the Law of God.

The Prophet Hosea, speaking in 4:6, said: "My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, Seeing thou hast forgotten the Law of thy God, I will also forget thy children."

The prophet here is not speaking of education. We have plenty of that. In fact America is overrun today by "educated idiots." The ones the Apostle Paul talked about in 2 Timothy 3:7, "Ever learning, and never able to come to the knowledge of the truth." As my dear wife often says: "They don't even use common sense."

Only about 2/7ths of the Bible deals with spiritual matters. The other 5/7ths covers history, prophecy and NATIONAL INSTRUCTIONS to the Israel people. These instructions we have forgotten to our deep sorrow.

The error of teaching that Christ fulfilled and thus abolished the Law, has warped the understanding of our people and robbed us of the blessings God would like to give to us. It is the basis of at least 90% of the problems which are destroying us and is a teaching which has been greatly encouraged by Talmudic Judaism. These enemies of God, realize that if true Israelites ever return to keeping God's Law, they will be pushed out of the driver's seat.

Most pastors will admit that the laws given to the Old Testament people were for their benefit. But they teach that these were only temporary arrangements which became null and void when Christ died on the cross. These "traditions," (and this is what they are, "man made") stem from a gross misunderstanding of God's plan and of the basis and purpose of Divine Law. (In the 1611 King James Version of the Bible, the word "Law" has been mistranslated over and over again and should often read "ritual" instead.)

The doctrine that Jesus fulfilled and thereby abolished the Law is as I said, at the bottom of most of our national problems, whether these are economic, political, military, financial, or spiritual. The Law of God, as given to Moses, was the revelation of God's will for the conduct of men and nations. When it is obeyed, blessings ensue. When it is disobeyed, "all hell breaks loose!" It is a full body of law for the nation as well as the individual and consists of the Commandments, Statutes, Judgments, and Ordinances.

This latter part was made up of the sacrificial and ceremonial laws of worship, referred to by the Apostle Paul as the "law for righteousness" (Romans 10:4). He

referred to this section again in Colossians 2:14 by saying: "Blotting out the handwriting of ORDINANCES that was against us, which was contrary to us, and took them out of the way, nailing it to His cross."

The Christians at Colossae knew what he was speaking about, for in Roman law, when a man was imprisoned the details of his crime and sentence was written on a parchment, called a "libellus", which was nailed to the door of his cell. When he had completed his sentence, the presiding judge wrote across the front of this document the words PAID IN FULL, and the man could never again be charged with that crime.

Isn't this what Jesus Christ did for those of us who are His children? When we finally came to the realization that for some reason unknown to us, He had selected us from before the foundation of the earth to be His servants, at the moment of this recognition, He wrote across the record of our life, with all its sins and shortcomings, the words PAID IN FULL, written in His own precious blood. When the Eternal Judge looks at our record, He sees not our sins, but the blood of His Son, who has washed them away. I believe this is one of the most precious truths of God's Word.

The Laws of God were in effect long before they were formally given to Moses at Mt. Sinai. There they were codified and given to Israel. But the rituals, began 430 years after the time of Abraham and could do nothing to cancel the Covenant God had made with Abraham. In other words, the RITUALS were added to the Law. They were a form of looking forward to the sacrifice of Christ, just as we look back on it. After Calvary, the Rituals and Sacrifices were no longer needed, since Christ had become the "once and for all time" sacrifice for sin. But the Law still remains.

Any honest study of the Old Testament will show that "justification," (forgiveness for past sin) was obtained through the ritual of repentance, followed by a blood sacrifice. This was known as the "works of the Law." Now that Christ has made the final sacrifice, JUSTIFICATION comes not through WORKS, but by FAITH in Him. Galatians 3:23 tells us: "But before faith came, we were kept under the Law (incorrect translation here should read RITUAL) shut up unto the faith which should afterwards be revealed. Wherefore the Law (correct here) was our schoolmaster, to bring us to Christ."

Let me explain it in this way. We look at the Law and see that in our natural state there is no possible way for us to keep it. (No man or woman who has ever lived, with the exception of Jesus Christ, has ever kept the Law). We realize through further study in God's Word that "sin is the transgression of the Law," (1 John 3:4) and that "the wages of sin is death," (Romans 6:23). Therefore we begin to look for a way of escape from the penalty of sin. This "schoolmaster", the "law", brings us face to face with the only one who can save us from our sins and this is Jesus Christ, the Son of God.

Whenever a churchman says: "We are not under the law, but grace; all we need to do is love God and our fellowmen," they overlook three important points:

1 - Jesus Christ was the God of the Old Testament,

veiled in human flesh. The Bible tells us that He is "Jesus Christ, the same yesterday, and today, and forever," (Hebrews 13:8). This means He never changes. If the Law was for His people 1491 years before His first advent, it is for His people in the Twentieth Century.

2 - His statement, "If you love me, keep my commandments," (John 14:15) show that He expects us to obey the Law now. The Apostle John in 1 John 5:3, tells us: "For this is the love of God, that we keep His commandments..." This is a direct reference to the Laws of Moses.

3 - The Old Testament laws demonstrate the practical application of "love." (1 John 2:5) - "But whoso keepeth His word, in him verily is the love of God perfected; hereby we KNOW that we are in Him." If we say we love God, then turn around and say: "We no longer have to keep His law." Then we become a liar. What way is there for a Christian to show his love for God, other than keeping His law? There is none! It's relatively easy to stand up in the friendly atmosphere of a church and give a ringing testimony about how we love Jesus. It's not difficult to pray in church. But it is when we obey God's laws in our everyday life, out in the world, that we show how much we love Him. Other than through obedience, love is only "skin deep."

Read Galatians 2:17 very carefully; then read it again. Paul says that if we disobey the law because we are Christians, then we make Christ out to be the minister of sin. When anyone shows their stupidity by saying: "Because I'm saved, I now have liberty to do anything I want," they blaspheme the holy name of our Lord by making Him the minister of sin in the eyes of the world.

Is it any wonder that Christ once said: "Not everyone that saith unto me, Lord, Lord, shall enter into the kingdom of heaven: BUT HE THAT DOETH THE WILL OF MY FATHER WHICH IS IN HEAVEN," (Matthew 7:21 -Emphasis added.) Everytime a Christian deliberately breaks the Law, he bring disgrace on the name of our precious Lord.

Dr. Snook give this excellent illustration: "If a man is in prison under sentence of death and the President pardons (forgives) him, he is set free and can never again be called to account for that crime. He has been cleansed of guilt in the eyes of the law, by the favor (grace) of the President. But this does not allow him to go out and violate the law again. He cannot rob, murder and rape with impunity. The law still applies to him and if he violates the law, he is charged under it and must pay the penalty."

The difference when applied to "law and grace," is explained in 1 John 2:1, 2. The only reason the Christian escapes the full penalty of the Law, is that God's justice is tempered with mercy for the truly repentant, and "If we confess our sins, He is faithful and just to forgive us our sins, and cleanse us from all unrighteousness," (1 John 1:9).

Jesus summed up the Ten Commandments in what He called the "Two Great Commandments." "Thou shalt love the Lord thy God, with all thy heart, and with all thy soul, and with all thy mind," (Matt. 22:37). This covers the

first four of the Ten Commandments. Then in verse 39 He continues: "And the second is like to it, Thou shalt love thy neighbor as thyself." This takes care of the last six Commandments.

If we love our neighbor as ourself, we will not murder or commit adultery (which by the way has nothing to do with sex. It refers to racial inter-marriage), we will not steal, bear false witness against our brothers, will not covet his possessions and we will honor our parents. What Christians would object to these?

The keeping of the law is a reasonable exercise on the part of a Christian. Why should we seek to avoid it? In Romans 12:1, we are told that Christians should: "Present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service." The word "reasonable" as used here, comes from the Greek work "logikos." We get our English word "logical" from it. This means that it is "formally true or valid". It should be as "logical" for a Christian to obey the law, as it is for him to breathe, or eat.

When a nation obeys God's laws they are blessed beyond measure. We have seen this in practical application in these United States. While this especially applies to the Israel people, it works out the same for everyone. But when we disobey, there is poverty in the midst of plenty, there is economic turmoil; we see military defeats like we suffered in Korea and Vietnam; we see burned out cities, overwhelming crime and rampant disease. The effects of disobedience is always harder on the Israel people than on any other, for the simple reason that "whom the Lord loveth He chasteneth, and scourgest ever son whom He receiveth." Here is one of the surest ways of knowing if you have a right relationship with Jesus Christ. If you claim to be a Christian and still live like the devil and for him; if you run with the same crowd and use the same language you used before, and God does not "whip" you. Then according to Hebrews 12:8 - "If ye be without chastisement...then are ye bastards, and not sons." Don't get angry with me, I didn't make that up, it's what the Book says!

But when God's people obey Him and follow His laws, then we see happen what Paul described in 1 Corinthians 2:9 - "Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God has prepared for them that love Him." REMEMBER: "If you love Him, keep His commandments," (John 14:15).

While God's Law was given specifically to Israel, it will benefit any nation that follows it. This is true because God's law is universal and unchangeable. It is based on natural laws, such as the "Law of Gravity" and the "Law of Harvest." It operates on the principle of "cause and effect." The effect always follows the cause, whether for good or evil. The promised results of obedience or disobedience, will follow as surely as day follows night.

Since the Law given to ancient Israel was based on a much earlier "natural law," which never changes, the "putting away of the law," as taught in most of our churches, would requiring the annulling of natural law and would result in the same kind of chaos that caused the earth to become "void and without form," (Genesis 1:2).

(There are some Bible scholars who believe that this took place when Satan revolted against God and refused to follow the natural law which was part of God's nature.)

When David became king of Israel, that nation was at a very low ebb. But by following God's law, within forty years, she was stronger than any of her neighbors and became, under Solomon, fabulously rich.

Our own United States began as a tiny, insignificant country of 13 colonies. They joined together for the furtherance of the Kingdom of God in freedom and liberty. (If you don't want to accept this, I challenge you to read the founding Charters of each of the original colonies. They were all founded for the furtherance of the Christian religion and God's Kingdom.)

When the War for Independence ended, trade had come to a standstill in the war ravaged colonies. Their money was useless and already the International Jew bankers were trying to control their economy. It was under these chaotic conditions, that our Founding Fathers met in Philadelphia and produced the greatest Constitution ever devised, a document second only to the Divine Law given to Israel at Sinai.

Five years later, order had come out of chaos. Confidence had returned. The nation had world-wide credit and she began to grow. Within less than a hundred years, she was the strongest nation on the face of the earth. It was this "God given" system, this Constitutional Republic, built on the principles of God's Word, which made America so attractive, that in a one hundred year period, over 45-million people migrated to these shores, the greatest migration in world history. There was a special reason why America rose so rapidly to greatness and riches and we will discuss this in detail in the March 1984 issue of the CRUSADER.

Today, the same principle which caused us to rise to greatness, is at work in our rapid decline. It is responsible for the multitude of problems which is strangling our freedom. Only as America returns again to following the laws of God will these problems be alleviated. This will never happen until our white Israel people first realize who we are; why we were placed on this earth, and then live up to our heritage. Take time right now to turn in your Bible to 2 Chronicles 7:14. It is the formula for survival for America - "If my people, which are called by my name (no other people than the white masses of Christendom, are known as Christian nations), will humble themselves, and pray, and seek my face, and turn from their wicked ways; THEN WILL I HEAR FROM HEAVEN, AND WILL FORGIVE THEIR SIN, AND WILL HEAL THEIR LAND." (Emphasis added.)

### PART III — THE JEWISH QUESTION.

From time to time in the CRUSADER, you have heard me mention THE PROTOCOLS OF THE LEARNED ELDER OF ZION. Some of you have my book THE SATANIC COUNTERFEIT, which compares the PROTOCOLS with other Communist documents. (Available for \$3.50 postpaid.) Many of you know that organized Jewry has spent millions of dollars trying to repress or

repudiate this document, which came to light at the turn of the Twentieth Century. All they have accomplished is to bring more light on its authenticity.

Today all the so-called White nations of Christendom seem to be helplessly in the clutches of some nameless world force. Their statesmen seem to be powerless to cope with it and they frantically seek - seemingly in vain - to keep their nations from falling into the bottomless pit of Communism.

What can we do to check this moral cancer which is slowly devouring our lovely nations? How can we save our spiritual heritage and our legacy of freedom, which is more valuable than all our material wealth?

From many years of research and personal observation, I am convinced that our problems are of a moral and spiritual nature, which can only be defended against from a spiritual basis. The Apostle Paul, in Ephesians 6:12 tells us that "we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places." I most heartily agree with him!

We are facing a Satanic conspiracy and we will never be able to find the cure, until we understand our ailment and what is causing it. A correct diagnosis is impossible as long as our spiritual leaders continue to turn their backs on the truth and spout the propaganda of their enemy, while assisting them in their planned destruction of our White Christian civilization and the wonderful benefits it has brought to mankind.

First it is necessary for us to understand that the crisis we face was not something that happened by chance. It has been carefully planned, over milleniums, by a gang of very powerful criminals. There can be no recovery for us, until the tools of destruction are removed from these "spiritual poisoners and mental molesters."

One of the primary reason that the Germany of Adolph Hitler was hated by world Jewry, was that he alone, of all the national leaders in Europe, seemed to have at least a partial grasp of this problem. When he took drastic action against the criminals to save his country, he was immediately programmed for destruction by World Jewry. If he had not acted to tear the burning fuze from the bomb set to explode in 1933, all of Germany would now be languishing under Communist control.

Often when we Identity speakers and writers try and educate the American people to the truth, we are accused of attempting to stir up persecution of the Jews. The world press, owned and controlled for the most part by Zionist forces, would have Americans believe there is another "holocaust" in the making. While writing millions of words about and spending millions of dollars in propagandizing, what they call the "holocaust of Germany," they completely ignore a much greater holocaust, which in the past sixty-five years, under Jewish control, has murdered over 145-million people. Why is it that our religious leaders never speak about this?

This writer does not advocate the annihilation of any people. I do however, demand that those who are engaged in criminal activities against our White Governments, be removed, no matter what their religious background may

be. I would be as insistent on this if the traitors were Baptists, Methodists, or Moslems. We MUST demand that this "housecleaning" begin at once, if we are to survive as a free people.

When all the facts are revealed, we are brought face to face with a diabolical plan, in which consciousness criminals have planned to destroy the existing Christian civilization and replace it with the rule of a Satanic Messiah, who is not Jesus the Christ.

Much of the friction we see today, between the kindred nations of Christendom, has been caused by this criminal alliance. Remove the traitors and the problem will be gone!

The program for the Great Depression of 1929 was deliberately planned by this group. It came off at the exact hour, on the exact day, and in exactly the manner it was planned. All the preparation was made by this group of criminal elite. Today, these same people are busily at work, subverting our national leaders, our educators, our pastors, and our youth. They work within the highest echelons of Washington, London, Ottawa, Berlin, and other national centers. They work under the guise of respected businessmen and leaders.

The "blueprint" for this criminal activity was drawn up in a very secret meeting of World Jewish leaders in the late 1800's. It was published in a small booklet titled THE PROTOCOLS. These were first translated into English in 1901. They quickly disappeared from the world scene, as Jewish leaders began to suppress them. One copy however, made its way into the British Museum in 1906 and was duly catalogued.

The LONDON TIMES, Aug. 17, 1921, stated concerning this document: "The astounding breakdown of a great state due to attack by Bolshevism and the presence of countless Jews among them, had the result that many people were looking for reasonable explanations for this catastrophe. The PROTOCOLS furnished this explanation, especially as the tactics of the Bolsheviks at many points were identical with the recommendations of the PROTOCOLS." (UNQ.)

The PROTOCOLS were published in 42 countries in spite of powerful Jewish efforts to prevent their publication. The MORNING POST of London, devoted considerable space to this subject and the TIMES, of May 8, 1921 asked the following question:

"What do they mean, those PROTOCOLS? Are they genuine? Has a gang of criminals really drawn us such plans and is triumphing over their fulfillment? Are they a forgery? But how can one explain then this terrible prophetic gift that foretold all this beforehand? Did we fight all these years to destroy the world power of Germany, only to find ourselves now facing a much more dangerous enemy? Have we saved ourselves through enormous efforts from PAX GERMANICA, only to fall a victim of PAX JUDICA?" (UNQ.)

They concluded this unusual article with this statement: "If the PROTOCOLS were written by the Learned Elders of Zion, then everything that was attempted and done against the Jews, is justified, necessary, and urgent."

Think about this! Is there any wonder that World

Jewry wants this document discredited? I have found Fundamentalist pastors who will literally go into a rage, when the PROTOCOLS are mentioned. Yet very few of them know anything about, or have ever taken the time to read or study them. They have accepted at face value, everything which the Jews have said about them.

It is interesting to note that the major claim against the PROTOCOLS is that they are a "forgery." As such, they were defended in a libel suit in the courts of Berne, Switzerland against the publisher. The courts after reviewing the case refused Jewish demands to declare them a forgery. But what is a forgery? Isn't it the most exact copy of an original? Before you can have a forgery, you must have an original. When the Jews declare them a forgery, they are admitting there was an original.

An interesting thing happened in London, following the London Times article August 17, 1921. Later in the month, the TIMES repudiated their statement regarding the PROTOCOLS and called them "a clumsy fraud produced by a consciousness plagiarist." It is of further interest to note that this statement came after the TIMES had been purchased by a Jewish banker. (According to the Norwegian newspaper NATIONAL TIDSCRIFT, July 1922.)

It can be easily proven that books written prior to the PROTOCOLS by Jews (Maurice Joly - DIALOGUES IN HELL - 1865; and, THE DIALOGUES BETWEEN MACHIAVELLI AND MONTESQUIEV, by Jacob Venedy, 1850), served as a foundation for the PROTOCOLS. Both of these men were Bolsheviks and Joly was an intimate friend of Karl Mordecai Marx. Any honest study of this document will show that it was the product of Jewish thought.

Jewish organizations for centuries have had as their central theme, the control of the world. In 1819, The Jewish League for Culture and Education, was set up with the idea in mind of educating people towards a One World concept. The Jew Baruch Levy, writing to Karl Marx, stated of this organization: "The Jewish people taken collectively will be its own Messiah. His reign over the universe will be obtained by the unification (what he really means is "mongrelization," EDITOR) of the human races and the elimination of frontiers. A Universal Republic will come into being in which the sons of Israel (which is a false statement) will become the directing element. We know how to dominate the masses. The governments of ALL nations will gradually fall, THROUGH VICTORY OF THE PROLETARIAT, INTO THE HANDS OF JUDAH, all private possessions of the Princes of Israel (here again it would have been more honest for them to say JEWS.) They will own the wealth of the all the lands. Thus will be realized the promise of the TALMUD (Jewish religious bible), that when the time of the Messiah comes, the Jews will hold under their keys the property of ALL the people of the world." (UNQ.)

The spiritual relationship between this letter and the PROTOCOLS can be easily seen by any honest reader and this horrible plan is far into its completion in all the nations of Christendom.

When Rabbi Reichhorn delivered a remarkable speech

in 1869, over the tomb of Grand Rabbi Simeon-ben-Ihuda, in Prague. He said the following, according to a report in the French newspaper LIBRE PAROLE, November 1933, page 27: "For centuries the sons of Israel (Jews) have been despised and rejected, but they have fought bravely to prepare the way for victory. Now they are approaching their aim. They already dominate the economic life of the damned Christians; their influence is just as great in politics and in the moral fields. At the wished for hour, fixed in advance, we shall let loose the Revolution, which by ruining all classes of Christians will definitely enslave all Christendom to us. Thus will be accomplished the promises of G-D, made to His people." Later in the same speech he said: "We cause wars with the power of our gold. This kills off the Christians and leaves more for us. We have already killed over 100-million Christians, and the end is not yet." (Remember, this speech was made over a hundred years ago. It was accomplished in Russia in 1918, and in many other countries since.)

The PROTOCOLS represent a strategic plan, an assembly of International Jewish documents, which have been kept secret from non-Jews for centuries. The newest edition was the editorial work of Asher Ginsberg, known as Achad-Ha-Am. (In Odessa, Russia, he was known as "The King of the Jews.") He was one of four Jews who forced Lord Balfour of England, into making the Balfour Declaration which gave most of Palestine to the Jews. This Declaration took effect in Nov. 2, 1917 and resulted in hundreds of thousands of Arabs, being driven from their ancestral homes. A national home for Jews was one of the aims of the PROTOCOLS. The Jew Bernstein, publisher of THE DETROIT FREE PRESS, admitted to William Cameron, personal Secretary of Henry Ford, Sr., in 1922, that he has personally read the original copy of the PROTOCOLS, written in Yiddish, while visiting, Odessa, Russia.

The story of how the PROTOCOLS passed from Jewish hands to that of Government authorities in Europe, is too long to follow here. It is a tale of murder and intrigue, as Jews sell out their own people for the sake of more wealth. You can read about this in the book NEW LIGHT ON THE PROTOCOLS, by W. Creutz, obtainable from LIBERTY BELL PUBL., Box 21, Reedy, W.V. 25270. (Much of the information in this section is taken from this book.)

There is some evidence that the original document was the plan for world conquest, as presented at the First Zionist World Congress, in Basle, Switzerland in 1897. While world Jewry frantically denies this, Marcus Ehrenpriss, Chief Rabbi of Stockholm, Sweden, explained in JUDISK TIDSKRIFT, Nov. 6, 1926, that "the triumph of Israel (Jews) was prophetically foreseen by Theodore Hertzl twenty years ahead." (Hertzl was the organizer of that first Zionist Congress in 1897.)

Since then, 30-million Christians in Europe alone, have been sacrificed on the altar of Jewish ambition for world control. Many of these in Jew controlled wars of World War I, II, and countless more in Korea, Vietnam and the numberless "brushfire" wars which are making Jewish financiers filthy rich.

The real source of danger to Christendom from International Judaism, can be found in the word "camouflage." No other artifice used by the Internationalists yields as much profit. By adequately camouflaging what they call the HOLOCAUST, (the phony claim that 6-million Jews were destroyed by Germany), Billions of dollars have been siphoned off from Christian coffers and into Jewish hands.

Today, there are many men in government who have much to hide in their past. They do this through camouflage; passing themselves off as honest, Christian patriots, when in reality they are TRAITORS to America, because they have "sold out" to Jewish dollars. Menachem Begin, the recent Prime Minister of the Israeli was a prime example of this art. He was a bank robber, a murderer and a terrorist. Yet today he is received with honor by the President of the United States and holds many Congressmen in the "palm of his hand."

When Franklin Delano Roosevelt was President, the Communist Jew Litvinoff, came to us camouflaged as a respectable Soviet diplomat. Yet a few years before, he had been arrested in Paris as a bank robber and terrorist.

There are still a few old fashioned patriots in Congress. One of the finest, was my good friend, Larry McDonald, who was murdered by the Communists when Korean Flight 007 was shot down in September 1983. But when a Congressman is revealed to be a homosexual, or a profligate, most Americans go on their way and as one man said of Wilbur Mills of Arkansas, after he had been caught cheating on his wife: "The old boy was jist feelin' his oats!" No wonder we are in trouble.

While today many people are wondering how to save the "goyim" (non-Jews, who are referred to as "cattle."), from the claws of the Jewish conspiracy, tomorrow another problem will arise in America. Who will save the Jews from the goyim they have cheated, robbed and murdered? This country is headed towards greater trouble than was ever seen in Germany and Jews with common sense would do well to get out of America before the hatred they have brought on themselves, is fully unleashed. If the Christian people of America, both white and colored, knew how they have been used by Jewish interests, nothing would stop a "blood bath" here. I'm not advocating; I'm just giving you the facts!

In Hosea 8:7 we learn that "He who sows the wind, shall reap the whirlwind." International Jewry has sown the "wind" and many Jews who have had no part in the overall conspiracy will suffer because of their bloodthirsty greediness. In Galatians 6:7, we are given another "unbreakable" law. It is called the Law of Harvest: "Be not deceived, God is not mocked; for whatsoever a man soweth, that shall he also reap." One day very soon now, the Jewish chickens will come home to roost and all hell will break out when they do.

What Christians need to do, is examine the Jewish bait which has been dangled so temptingly before us, before we "swallow it, hook, line, and sinker!" This is especially necessary for our political and religious leaders. They may think they are on the "gravy train" now, but when the day of reckoning comes, the American people are

going to hold them responsible for being the TRAITORS they are. Unfortunately, most Americans prefer to sleep, instead of straining their brains to see what is actually going on. They would rather be brainwashed by their politicians and preachers, than make the effort to learn the truth. They too will be made to pay. How can you go about saving a person who refuses to be saved?

Here in a "nutshell" is the blueprint of the PROTOCOLS:

1 - Seduce, demoralize the youth through sex, drugs, and false doctrines.

2 - Destroy all family life.

3 - Dominate people by preying on their lower instincts.

4 - Debase and vulgarize art and introduce filth into literature.

5 - Destroy respect for religion, especially Christianity; undermine the reputation of the clergy in any way possible. (Think about Jew produced movies such as ELMER GANTRY.) Encourage so-called Higher Criticism of the Bible, so that the old fundamentals of the faith are shattered. (Higher Criticism was formulated in Germany by Jews.)

6 - Introduce a craving for luxuries, crazy fashions and spendthrift ideas, so that the ability to enjoy clean, plain pleasure is lost.

7 - Divert attention of the people from what is happening through sports, games and prize contests - so there is no time for them to think.

8 - Confuse and bewilder the people by false theories. Shatter their nerves by the introduction of poisons into the physical systems. (Alcohol, nicotine, drugs, flouridation of water, etc.,)

9 - Instigate class and racial hatred among the people.

10 - Dispose of those who hold to the old traditions through excessive taxation. (Replace the idea of "make" with the Jewish idea of "get.")

11 - Poison the relations between employers and employees through constant strikes. (Notice how many of the Labor Unions are Jew led - EDITOR.)

12 - Demoralize the "middle class" of the nation and direct the hatred of the working class toward them.

13 - Use industry to ruin agriculture and then in turn, destroy industry through wild speculation. (Notice what they have done to the small businessman and farmer. Notice how farm land has been destroyed through the use of chemical fertilizers - EDITOR.)

14 - Raise the rate of wages; but keep the worker in constant bondage by raising the price of consumer goods and interest rates.

15 - Cause diplomatic friction and misunderstanding between states and governments. Increase International suspicion. (Notice how they have tried to drive a wedge between Canada and the United States - EDITOR.)

16 - Insofar as is possible, fill important state offices in the Target Nation with persons who have a shady background, so for fear of exposure, they will remain obedient servants.

17 - Gradually amend all Constitutions so as to prepare the soil for the absolute despotism of Bolshevism.

18 - Establish huge monopolies which will swallow the little man.

19 - Destroy financial stability (controlled by the Jew led Federal Reserve System - EDITOR), increase economic instability so as to bring the world to the verge of bankruptcy. Make bonds, stocks and paper money worthless; accumulate all the gold of the world into Jew hands; withdraw credit and cause general panic.

20 - Prepare the death struggle of Christendom; wear our humanity through suffering, fear and hunger - hunger creates slaves.

This is the program of International Jewry for world control. Whether you want to believe it or not is beside the point. Just because your pastor may tell you it is a fraud, does not change the truth of what it says. The Jews say the PROTOCOLS are inventions of a demented mind. But Benjamin Disraeli, the Jewish Prime Minister of England during the reign of Queen Victoria showed that in Russia, where the Jews were complaining about being persecuted, there Jews were in control. He showed that Jews knew the techniques of revolution and foretold in a book, the revolution which was soon to ravage Germany. How did he foreknow it? While the diplomats of Europe could not see it happening; Disraeli the Jew knew and he realized that it was of Jewish origin, development and purpose. He described Jewish power, Jewish purposes, and Jewish methods and they paralleled those of the PROTOCOLS. As Henry Ford, Sr., once remarked: "It's not so much whether they are the genuine thing or not. Look at how they are being implemented."

The chief ingredient for Talmudic success has always been "secrecy." Will you encourage them in their plan for world conquest, Christian, by keeping your head buried in the sand? Will you die, and your freedom along with it, or will you expose the enemies of Jesus Christ with every fiber of your being, even if it means exposing the man who stands behind the pulpit of your church? The day is far spent! NOW IS THE TIME FOR YOU TO ACT!

(For further information and explanation on the PROTOCOLS, write for my book THE SATANIC COUNTERFEIT, \$3.50 postpaid.)

There is no better source for a study of the Jewish problem than to go directly to a Jewish source. Henry Ford, Sr. once said: "If the young men in our seminaries were required to read contemporary Jewish writers; there would be no problem with the Judaizing of our Christian churches." But this has not been done. Every effort has been made in Evangelical and Fundamental churches to cover up any Jewish wrongdoing. As a result, we see Jewish scholars writing Sunday School lessons for Christian youth. We see Jewish thinking, as it creeps into the thinking of our people, to the point where today millions of Christians have been "brainwashed" into supporting their worst enemies. Think for a moment. Would you be as upset if I had pointed out these truths and then proved to you that they were coming from Arab sources? You know the answer to that! It would be a resounding "No!"

If our seminarians were required to make a thorough study of Judaism, what it is, what it stands for; if they

would read what the Babylonian Talmud has to say about Christianity, there would be less "silly talk and fewer easy marks" for Jewish propaganda in our American pulpits.

The "fiction" that the Jews of today are the "people of the Book," faithful to Mosaic Law can be clearly seen in the teachings of our Savior. In John 8:19, speaking to the Jewish religious leaders of His day, he said: "Ye neither know me, nor my Father: if ye had known me, ye should have known my Father also."

When they laid claim to being Israelites, the true "seed" of Abraham, he told them in verse 39 - "...if ye were Abraham's children, ye would do the works of Abraham." In verse 47 - "He that is of God heareth God's words: ye therefore hear them not, because YE ARE NOT OF GOD." (Emphasis added.) In John 10:26, He told them: "But ye believe not; BECAUSE YE ARE NOT OF MY SHEEP." (Emphasis added. How much plainer does our Lord have to be before you believe?)

To those of you who believe that Jews follow the Mosaic teachings, listen to John 5:16 - "For had ye believed Moses, ye would have believed me: for he wrote of me." The same can certainly be said of the modern day Jews.

The full scope of Christ's condemnation of this people can be seen in Matthew 23:15, when He said to them: "Woe unto you scribes, and Pharisees, hypocrites: for ye compass (go over) sea and land to make one proselyte (convert), and when he is made, ye make him twofold more the child of hell than yourselves." (Does that sound like a Chosen People?)

Put this together with John 8:44 and see what you get, no matter what your pastor may tell you that is different. Speaking to the same unsavory crowd, He had called vipers and hypocrites, He said: "Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning (Cain) and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar and the father of it." (Does that sound like a Chosen People? Remember now, this is not something Jack Mohr says, it comes from the lips of the King of Kings, and the Lord of Lords!)

Henry Ford, Sr., put it quite clearly, when after spending two years and over \$8-million in researching the Jewish Problem, he stated: "There is a mission for the pulpit to liberate the church from what New Testament Scriptures call 'fear of the Jews.' They also need to liberate their people from the falsehood that the terms 'Jew,' 'Hebrew', and 'Israelite' are synonymous." Ford goes on to say: "The reading of the Scripture which confuses the tribe of Judah with Israel, and which interprets every mention of Israel as signifying the Jews, is at the root of much of the confusion and division traceable to doctrinal statements." (UNQ.) To this I must give a hearty AMEN! This parallels what I learned from my 45 years in Fundamentalism.

Theodore Hertzl, the father of modern Zionism, in his book THE JEWISH STATE, wrote: "The Jewish question exists wherever Jews are to be found in large numbers. Every nation in whose midst Jews live is either covertly or openly anti-Semitic (it would be more proper to say Anti-

Jew, since Jews are not Semites - EDITOR). Anti-Semitism increases day by day and hour by hour among the nations; indeed it is bound to increase because the causes of its growth continue to exist and CANNOT BE REMOVED. It's immediate cause (note this carefully) is our (Jews) excessive production of mediocre intellects, who cannot find an outlet downward or upwards - that is to say, no wholesome outlet in any direction." He then goes on to state that when the Jews go down, they take everyone else along with them.

This Jewish phenomenon has been admitted by many Jewish writers and leaders. Dr. B. Messingsohn, lecturing in Cape Town, South Africa in July 2, 1930, as reported in THE CAPETOWN TIMES, said: "I warn the world, that if it does not keep faith with us, (in other words, do what they want - EDITOR) there are 16-million Jews who will be filled again with the hatred which has released so many great destructions on the Christian world." This kind of Jewish threat confirms the accusation made by Jesus against their leaders, when in Matthew 23:35, He accused them of being guilty of ALL the righteous blood which had been shed since the time of Abel.

In THE JEWISH CHRONICLE, Jan. 27, 1939, at the beginning of World War II, Col. M. P. Nathan, Jewish Chairman of the National Defense Commission in Britain, was reported to have said: "If Zion falls, the British Empire will fall with it." In 1918, at the end of World War I, Count Mensdorf, the Jewish Ambassador from Austria to England said: "Israel won the war, we made it, thrived on it; profited from it. It was our supreme revenge on Christianity." (UNQ.)

The Jew has always been at war with the rest of the world. The Apostle Paul said in 1 Thessalonians 2:15, that they are "contrary to all men; and please not God." Does this sound like a Chosen People? You can confirm the truth of this statement by reading Jewish sources. The success of their war against the rest of humanity, depends on keeping the "goyim" in the dark about their plans. They have done a super job of this, helped by the stooges in the media, and behind our pulpits.

But for Jewish consumption, repeated over and over again, is their consuming desire to conquer the world and completely destroy hated Christianity. To the Aryan mind, Jewish capacity for hatred and revenge against those who oppose their aims, is almost incomprehensible. To the naive Christian who believe that Jews will be good to them because they helped them, there is no better example than what happened in Russia during the revolution. They hate those who have helped them, as much as any other. In their religious book, the TALMUD, volume ABHODAH ZARAH, (26b), they say: "Even the best of the goyim should be killed." In volume ZOHAR (11, 43a) it states: "Extermination of Christians is a necessary sacrifice."

Lt. Col. F. P. Farrell, USAF Retired, in his booklet AN OPEN LETTER TO THE GENTILES, says: "Don't look to a gutless Congress or upon your President for help. Their Jewish advisors and staff members keep them bogged down with trivia.

"I, for one, am fed up with a Congress that can raise their own salaries and then impose oppressive taxes on us,

the suckers. I am fed up with puppet Presidents who don't have the "guts" to be patriotic American leaders. I'm fed up with the Jewish-Marxist twins - The Federal Reserve and the I.R.S. I'm fed up with a controlled public education system that indoctrinates our offspring with Communist ideas and programs which instead of instilling true knowledge in them, is afraid to tell the truth about Communism. I'm fed up with the Kissinger types in our government - doing their damndest to destroy us. The traitorous members of the Tri-Lateral Commission and the Council on Foreign Relations - so determined to put us into a Jewish New World Order.

"Things aren't going to get any better neighbor, unless we change them. These world traitors are planning for chaos; then they will move and pick up the pieces, and the Jewish prophecy will have been fulfilled.

"The time has come to tell Congress that we aren't going to accept any more taxes; that they either repeal the Federal Reserve Act and correct the inequities of the present banking system, or we will strap on our guns, like our forefathers did...no more money for spending to bail out the International Money clique, and no more give aways.

"Ben Franklin's Republic is gone. It has been replaced with mobrule foisted upon us in the form of socialized democracy, administered by a centralized puppet government, with the real power resting in the International Jew bankers. The U.S. Constitution, battered and bent, disregarded by Congress and the Courts, remains only as an heirloom, thanks to traitorous officials in past and present governments.

"The time has come, to park the tools, the trucks and tractors, and make a stand. We are going to have to fight like hell to regain control of our government and reestablish the Republic the Founding Fathers gave us.

"The fight started and it's going to get hot...DO YOUR PART TODAY. Help spread the word!"

To this I give hearty agreement! This letter reminds me of the words found in our Declaration of Independence, they are something concerned Americans need to have repeated, over and over again: "Prudence indeed, will dictate that governments long established should not be changed for light or transient reasons: accordingly, all experience shows that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But, when a long train of abuses and usurpations, pursuing invariably the same end, evince the design to reduce them under absolute despotism: IT IS THEIR RIGHT, NAY IT IS THEIR DUTY, to throw off such a government and provide new safeguards for their future security." This was the basis on which our ancestors fought the war for independence. I believe the time has come when we MUST fight a new Revolution, if we are to remain free. This is a CALL TO ARMS for all those of courage, who love their God and America. It is not a time for "sunshine" patriots, but for those of stout heart, who are willing to throw aside personal considerations, so that we may remain free. We have only one choice open to us today: "Are you willing to die if necessary to remain free, or will you live as slaves? Under a Jew run one-world dictatorship? I for one would

'rather die on my feet, than live on my knees!' " How about you?

Many Americans, especially those of evangelical and fundamental beliefs, refuse to believe that anti-Christ Communism was and is the "brain-child" of Talmudic Judaism. Yet anyone who has ever made an honest study of modern history, must admit that it is impossible to discuss Communism and the Bolshevik Revolution in Russia, without constant reference to the Jewish Question. Just as many people in Christendom accept at "face value" Jewish propaganda regarding Hitler and the German people, without regard to historical facts, so they accept at face value the Zionist inspired propaganda which pictures the Soviet Union as being anti-Semitic. The Jews, from time immemorial, have been masters of the art of "mis-information." Jesus Christ recognized this quality in their leadership, when He confronted them in John 8:44 and stated words to the effect, that since they followed their father the devil, they were liars. The Jews who have been the guiding force behind Communism, for over a hundred years, passed on this art to communists everywhere.

Historical facts prove that it was Jewish brains and money that made the Russian revolution a success, as were the Marxist revolutions in Germany and Hungary. It was only the advent of Adolph Hitler, which saved Germany from a like fate. These facts were clearly stated in 1922 by Sir Winston Churchill, then Secretary of War in the British Government. With access to a super-intelligence system, he said: "This movement (Bolshevism) among the Jews is not new. From the days of Karl Marx and down to Trotsky (Russian), Bela Kun (Hungary), Rosa Luxemburg (Germany) and Emma Goldman (U.S.) this world-wide conspiracy for the overthrow of civilization and for the reconstitution of society on the basis of arrested development, of envious malevolence and impossible equality, has been steadily growing. It played, as modern writer, Mrs. Webster has so ably shown, a definitely recognizable part in the tragedy of the French Revolution. It has been the mainspring of EVERY subversive movement during the Nineteenth Century, and now, at last, this band of extraordinary personalities from the underworld of the great cities of Europe and America, have gripped the Russian people by the hair of their head and have become practically the undisputed masters of this enormous empire." (UNQ.)

Churchill did not exaggerate, for official Bolshevik statements in 1920, showed that of 545 members of the chief ruling bodies in the Soviet Union, 447 were Jews. As late as 1933, THE AMERICAN JEWISH JOURNAL "OPINION", reported that one-third of the estimated Jewish population in Russia, were Soviet officials. In White Russia, 61% of the officials were Jews, most of them in the highest echelons of government.

Some may argue that this has changed since the time of Stalin and that now the Jews are being harassed. This is not true, according to Russian refugees. Emigre A. Stolypine says that the substitution of Russians for Jews in the highest rungs of the official ladder, was only a tactical move, since Jews still hold in their hands, the principle

levers of control through terror. These include concentration and slave labor camps, prisons and the secret police. As in the United States, the entire news distribution system of the Soviet Union is Jew controlled. The Armed Forces are kept under a terrorist discipline by the political commissars. A recent example of this is the new Premier Andropov, a Jew, who rose to this top position, from the leadership of the KGB.

The fact of Jewish predominance in the higher echelons of Soviet Government is an undisputed fact of history. There is only one class of millionaire in the Soviet Union today and these are more than 90% Jewish. They live in a luxury resort area of Odessa. They are the only people who have been allowed to have personal businesses and profit from them. This should tell you something about who runs the country.

As in America, the real Americans who opened the country and founded our government (sometimes sarcastically referred to as WASP's - White Anglo-Saxon-Protestants) no longer control America, while the millions of "brainwashed" Christian whites fail to realize this. So it is true of the Soviet Union, where the people are under a repressive rule of foreigners.

While men like Dr. Jerry Falwell of Moral Majority bewail the immorality, crime and downright evil which is literally swamping America, they refuse to see that behind each of these evils, stands the International Jew, with his grasp for money and power. It would make for an interesting afternoon, if you would jot down on a piece of paper, all the problems in America, which you as a Christian abhor: crime, prostitution, the drug traffic, the immorality of Hollywood and the stage, ERA, abortion, you name it, and behind each one, pulling the strings and getting filthy rich in the process, you will find the shadowy finger of the International Jew, as he sucks the life blood of America and our Christian civilization.

Have you ever taken the time to ask yourself why with less than 5% of our population, the Jews exert such a tremendous control in this country? They now hold over 90% of the top government jobs, just as they do in the Soviet Union. How can America survive as a Christian Republic, when anti-Christians control our government, the news, the money, and most of our churches?

How can our Christian people be so stupid as to consider these enemies of Almighty God and His Son, our Lord, as the Chosen People?

The results of a 1983 news survey, as shown by The NOONTIDE PRESS of Torrance, CA., shows that 104 major network presidents, Vice Presidents, writers and producers confess that their political beliefs are more liberal than most Americans. Two-thirds admit that they believe TV should be a "major source for social change." Their professional leadership group in order are consumer groups, intellectuals, blacks, feminists, and lastly business. 93% of the key media personnel claim to have a religious upbringing, with 59% having been raised as Jews. (This figure approaches 100% in the higher echelons.) With only 5% of the population, you can see how this figure is inordinately high and amounts to almost total control of all means of information.

In a 1982 speech in Florida, Alfred R. Schieder, executive programming censor for ABC, the largest TV network in the world, said: "I think of myself as a rabbi. My function is to deal with the morality and conscience of the country." If you want to know what Jewish morality consists of, read Elizabeth Dillings book THE PLOT AGAINST CHRISTIANITY, now re-titled THE JEWISH RELIGION - ITS INFLUENCE TODAY! It can be obtained from THE NOONTIDE PRESS, P.O. Box 1248, Torrance, CA 90505.

Alfred Scheider controls 74 TV editors from coast to coast, most of whom according to Schneider, have degrees in Sociology or Law. (Both fields which have seen serious Jewish inroads in recent years.)

With state after state having laws introduced against "para-military" training - all introduced by the Anti-Defamation League (ADL) of the Jewish B'nai B'rith - isn't it strange to hear the National Director of the Jewish Defense League, state publicly that they are "declaring war on anti-Semites. If criminal justice fails, we will give the goyim a dose of old fashioned Jewish justice. We will teach them a Jewish lesson." Yet in every state where these para-military laws have been passed, the JEWISH DEFENSE LEAGUE has been free to carry out training, often using fully automatic weapons, which is against the law. So while laws are being made in many states to disarm and disrupt the defense training of Christians, the Jews are given full reign to arm themselves and train for anti-Christian activity.

Similar press conferences held by the JEWISH DEFENSE LEAGUE on the West Coast, were led by convicted "fire bomber" Mordecai Levy. He also has declared open season on anyone who disagrees with the Jewish position. You don't have to be openly anti-Jewish to be labeled as an anti-Semitic enemy, just fail to agree with Zionist aggression, or be anti-Communist and you are placed on the Jewish endangered list.

Now with "self-styled" rabbis such as Alfred Schneider directing our sensitivities via the TV screen and real rabbis and their followers training to kill uncooperative "goyim", who are not sensitive enough, it's time for Christians to know who they are and what kind of an enemy we are dealing with. DO YOU STILL THINK THEY ARE THE CHOSEN PEOPLE?

\* \* \* \* \*

By definition, a "rabbi" is an ordained teacher of Jewish law, authorized to decide questions concerning that law. But what really is Jewish law? Can Jewish law decide acts of "Jewish justice" against non-Jews? What does the term "Jewish law" mean to those of us who are not part of this "in crowd?"

Very few Christians, including a vast majority of pastors and Bible scholars, know little if anything about a collection of old Jewish books which we have mentioned before. They were written by the Pharisees, over a span of some thousand years, receiving their inspiration from their captivity in Babylon. This collection of 63 volumes constitutes the Jewish civil and religious law, not the Mosaic law as most Christians believe.

Herman Wouk, the famous Jewish author of WINDS

OF WAR, wrote: "The TALMUD is to this day the circulating heart's blood of the Jewish religion. Whatever laws, customs, or ceremonies we observe - whether we are Orthodox, Conservative, Reform, or merely spasmodic sentimentalists - we follow the TALMUD. It is our common law."

Rabbi Louis Finklestein, chosen in 1937 by the Jewish Communities of the world as one of the top 120 Jews best representing a "lamp of Judaism," wrote: "...any decision regarding the Jewish religion must be based on the TALMUD as the final resume of the teachings of authority." So it would appear to be true, that what the TALMUD teaches, is what a majority of the Jews believe and accept.

It is the TALMUD, not the Old Testament, which forms the historical and modern operating basis of the Jewish religion. Any number of Jewish authorities will substantiate this fact. To a rabbi, the TALMUD RANKS ABOVE THE Bible in every way.

It is also true that the TALMUD is regarded as sacred and "for Jewish eyes only." For centuries it has been forbidden to "non-Jews," and the TALMUD pronounces the death penalty on any "goyim" who reads it and to any Jew who helps him in his endeavor. This is how strongly they want to keep its teaching secret. Now it has been my position, that any time you have to have secret meetings, and secret writings, it is because you are trying to cover something up that you don't want folks to know about. A great majority of evil in the world is done under the cover of darkness. The burglar works after dark; the respectable businessman visits his mistress after dark; most murder and rape is conducted under cover of darkness. Jesus once said: "Men love darkness, rather than light; because their deeds are evil," (John 3:19). This is why the TALMUD is kept secret from non-Jew eyes. They cannot afford to let the "goyim" know what is taught about them.

One of the few "non-Jews" who has taken the time and effort to study the TALMUD was Elizabeth Dilling, the author of THE JEWISH RELIGION. She began her awakening when she visited Russia with her parents in 1931 and saw the GREAT SOVIET EXPERIMENT first hand. There among the squalid living conditions, the bread lines, the system of oppression and violent anti-Christianity, she began to realize the truth. What she saw was no "people's revolution," as the citizens of America had been told, for it was the masses of Russia who were suffering under the Jew led, national oppression.

When she returned to America, she embarked on a campaign of public lectures. She showed movies she had taken, filmed behind the backs of the Soviet tour guides. She told her American audiences everywhere, how our own government even then, was lying to us about communism and the success of the worker's paradise and how they were being aided in their campaign by the controlled media.

In 1934, she published her first book THE RED NETWORK, exposing the Communist Fifth Column, which was even then at work in the United States. This was followed in 1936 by THE ROOSEVELT RED RECORD AND ITS BACKGROUND. With Roosevelt at the heights of his power and popularity, this was received

by the American public with the same enthusiasm given to a "prostitute in church."

Almost immediately, Mrs. Dilling was viciously attacked as being Anti-Semitic, by Jewish sources, primarily the ADL. Up to that time, she knew nothing about Jewish involvement in Communism and had as a result said nothing about it. But when she was attacked by the Jews, this "guttie" woman did more research and in 1940, she released her fourth book THE OCTOPUS, which dealt with Judaism's influence on Communism.

Then she went a step farther in this book, exposing THE AMERICAN JEWISH COMMITTEE as the source of attacks against her and other anti-communist patriots. She singled out the ADL as the main element in these attacks. The secret and exclusive branch of Masonic Lodge of the Jewish B'nai B'rith, then swung into action, backing their "strong arm" organization the ADL to the fullest extent. In America, war fever was reaching a "fever pitch." The calculated "smear" was being used against Germany and all Americans of German ancestry. They did a masterful job on such public figures as Charles Lindberg, Jr., and Father Coughlin, who had been warning the American people for years about the Jewish menace.

But in 1944-46, the Jews went a step too far. The ADL brought a formal indictment against Mrs. Dilling and 30 other prominent anti-Communists, in what was called THE MASS SEDITION TRIAL. In this case justice was done, as the Federal Judge dismissed the case, calling it a "rank travesty of justice."

When others would have given up under tremendous Jewish threats and pressure, Elizabeth Dilling became more vigorous in bringing the truth to her people. She secured a copy of the TALMUD and began a thorough study of this set of books. After several years of careful research, she wrote and had published THE PLOT AGAINST CHRISTIANITY, which reached the public in 1964. It contained many "photostatic" pages from the TALMUD, along with a thorough discussion of them. For a number of years this book was virtually ostracized due to Jewish pressure. Now the NOONTIDE PRESS IS PUBLISHING IT Under the title of THE JEWISH RELIGION; IT'S INFLUENCE TODAY. (Hardback copies are \$12.00; while softback is \$8.00).

To date, no author has treated this mysterious religion called Judaism, in more detail. Mrs. Dilling captured the very "core" of this Babylonian heathen religion, which has no connection with Christianity or the Holy Bible in any way whatsoever.

It's monopoly over the moral and social instruction of Jews everywhere, is recognized by the foremost Jewish authorities. It is dedicated to underwriting radical social changes which would be of benefit only to the Jews. It's incredible hatred of Christianity must be seen, to be believed. It's fear of the persecution that Jewish actions have brought about, amounts to "paranoia." It's relationship to all "non-Jews", relegates them to the status of "goyim" which in the YIDDISH language means "cattle." It is obsessed with creating laws, piled on top of laws, which has further added to the confusion of the Jewish people. It's fanatical approach to controlling public

opinion everywhere, through every possible means, under the guise of being the authority of what is good for mankind because it is good for Jews, can be seen in its control of American media. It was this thinking that produced the monstrosity called Sigmund Freud, and his phony idea of psychology that had driven thousands into insanity.

Today, Talmudic influence has pushed its slimy tentacles of control into the church; exerting unheard of influence on the "electronic evangelists," such as Jerry Falwell, Pat Robinson, Oral Roberts, Jimmy Swaggart and many others. These, along with thousands of "brain-washed" pastors, have enforced the Jewish myth that these Christ haters are God's Chosen people, and has resulted in billions of Christian dollars flowing into Jewish pockets. These "false prophets," preach that God will curse Christians who do not back the Jews, no matter what they may do.

The road to understanding Judaism and the blight it has brought to America, lies in an understanding of the TALMUD. Not merely that it exists, but that it is the "heart blood" of Jewish thinking.

We as Christians MUST be allowed to study this ancient book without fear, or censure, media outrage or death threats from the JDL. We must not be "hostage" to the cheap and evasive smear of "anti-Semitism." The TALMUD must be laid open for public inspection, just as the Bible is made available to all, friend and foe alike.

Buy a copy of Mrs. Dilling's book and give it to your pastor, if he is honest enough to study it. I guarantee, some of you will be shocked, for many pastors refuse to read it. It is almost as though they fear they will be proven wrong and don't have the courage to admit it! I believe this book should be required reading for every Seminary student, and every Christian who is interested in the freedom and welfare of this country.

My thanks to NOONTIDE PRESS for the material for this enlightening discussion.

Have you ever wondered about the words of Jesus, which He spoke to John on the Island of Patmos, and recorded in Rev. 2:15? "So hast thou (the church at Pergamos) also them that hold the doctrine of the Nicolaitans, which thing I hate." The word "Nicolaitane" comes from the Greek word NIKOS, which means "to conquer," and LAITON, which means "the people." Put them together and you have "to conquer the people." There are several passages in the New Testament, which warn about those who would conquer Christians.

In Acts 20:28-30, the Apostle Paul speaking: "Take heed therefore (be on your guard) unto yourselves, and to all the flock, over which the Holy Ghost hath made you overseers (pastors), to feed the church of God which He hath purchased with His own blood. For know this (in other words "this is sure"), that after my departing shall grievous wolves enter among you, not sparing the flock. Also of your own selves shall men arise, speaking perverse (Greek: DISATREPHO, meaning: "to distort or misinterpret) things to draw away disciples after them." PROTOCOL NUMBER XI, of the PROTOCOLS OF ZION, echo this same thought. "The goyim are a pack of sheep,

and we are their wolves. You know what happens when wolves get hold of the flock..."

It is true that the Christian churches have acted as sheep. They are as befuddled by Jewish pressure, as sheep when they run into an unusual situation; they panic. Like sheep, we have in many instances lost our shepherds and many of them have become the "wolves in sheep's clothing" our Lord spoke about. When Christians are told that their worst enemies are God's Chosen, what can you expect except confusion. This is exactly what the enemy wants. Could this be one reason Christians are taught "man made" doctrines like the Chosen People and the Rapture of the church?

In 2 Corinthians 11:12-15, Paul again warns about deceitful pastors who for glory and praise, pass themselves off as true shepherds of righteousness. He calls them "Satan's ministers, masquerading as angels of light." Could Billy Graham be in this class?

In 1 Timothy 6:10, we learn that there are those who for "love of money," err from the faith. These conquer Christians with false teachings. How many of the electronic evangelists would fit into this mould? What about the men who say: "Send me a contribution and I will pray for you and send you a cloth I have prayed over and you will be healed."

In 2 Peter 2:1-3, we learn that in these "last days" there will be leaders in the church who thru greed for material things, will make merchandise of Christians. (Compare this with Isaiah 56:10, 11).

Then in Acts 10:34, we are told that "God is no respecter of persons." He shows no partiality among His people. Yet I have heard some Identity people talk in such a manner that one might be led to believe that they have a "special dispensation with the Lord." (James 2:1-9), says that when Christians become "respecters of persons," we show the marks of a conquered person. My how wealth and social position is looked up to in our society today. If you have them, you can get by with most any kind of evil. A professional athlete can get by with a mild "slap on the wrist," for trafficking in dope. A "traitorous" Congressman who sells out his country to Zionist or Communist interests, is shown more respect than one of God's faithful servants. This is the SIGN OF A CONQUERED PEOPLE!!!

The Conquered-People mentality was visible in Christ's time when He told the common people who listened to Him: "Beware of the scribes, which love to go in long clothing, and love salutations (greetings) in the market places, and the chief seats in the synagogues, and the uppermost (best) rooms at feasts...these SHALL RECEIVE GREATER DAMNATION." (Emphasis added.) This is one of the evils Jewish influence has brought into the Christian world and is something they are using to conquer us. Christ said He hates it!

\* \* \* \* \*

Today, a monstrous lie is receiving mass circulation and is being believed by millions of gullible fools. This is that Christians were responsible for the false imprisonment, hideous tortures and brutal murders of millions of people during the Dark Ages and the Inquisition. They

would have you believe that followers of Jesus Christ poured hot lead into openings in their victims bodies; pulled them to pieces on the rack; pulled out their tongues, gouged out their eyes and pulled out their finger nails. That they skinned men and women alive and cut off women's breasts and allowed them to bleed to death. Before I have finished, I will prove these things to be lies, in spite of what you may have read in a Chick Comic book. Any person with an average amount of intelligence, can refute these things from the Bible. Oh they happened all right, and many of those who committed these atrocities went by the name of Christian, just as those in Lebanon do today. But the Bible tells us that they were not. Read Galatians 5:22, 23 and learn what the fruit of the Spirit is, (remember Jesus once said: "By their fruits shall ye know them," Matthew 7:20.) In Galatians we learn: "But the fruit of the Spirit is love, joy, peace, longsuffering, gentleness, goodness, faith, meekness, temperance..." So my friends, there is no way a Christian could commit such atrocities. They may have been church leaders all right, but they were not Christians. It's an impossibility!

Where do we find the ugly spirit of the anti-Christ today? The spirit Paul said was of the flesh, or the evil one. In Galatians 5:19-21, we read: "Now the works of the flesh are manifest (made known), which are these: adultery, fornication, uncleanness, lasciviousness, idolatry, witchcraft, hatred, variance, emulations, (jealousy) wrath, strife, seditions, heresies, envyings, murders, drunkenness and such like..." All things which are found as standard operating procedure in the Jewish TALMUD; as long as they are practiced against non-Jews. This spirit is found among the Talmudic crowd of communism. You can find it in Zionist treatment of the Palestinian Arabs of Lebanon. You can find it among the 60-million people who were murdered by Jewish-Communism in Europe.

What do leaders of these anti-Christ countries have in common? A bond of Judaism and a hatred of Christianity which is beyond human reason. The common goal of Communism and Judaism, is the complete and utter destruction of Christianity.

America has been rewarded from our Pilgrim beginnings with riches and blessings above and beyond those given to any other country. Why? We did not earn them. We were not that much smarter than other people. We were not worthy of them. We were rewarded by the simple law of Harvests. We reaped what we had sown for the most part. This nation was founded on God's Laws. Our Founding Fathers not only believed in God, but that He would reward them for their efforts to preserve and follow His commandments. He did this, since He can never break His promises!

But in recent years, as Judeo-Christianity has taken root in our country - not Bible Christianity, but Judeo-Christianity - we have allowed an ungodly, anti-Christ heathen force to dictate to us and this has resulted in moral and spiritual disintegration. It will continue to grow and become more severe, until we realize who we are; why we are here, and our responsibilities to God, because we are His people.

When that day comes, we will throw the International

Money Changers out of our National Temple and once again the true God will be worshipped in spirit and in truth and Israel will live in peace.

#### PART IV — NATIONAL AND WORLD AFFAIRS.

The following information comes from a Special Bulletin put out by THE JUSTICE TIMES.

"Why is it that the State Governments of North Dakota and Arkansas have refused to convene Grand Juries to determine the details in the tragic case of Gordon Kahl? People from both states have petitioned for this. Are they afraid of what an honest investigation would bring forth? Are they afraid of a scandal which might reach into the higher echelons of our Federal Government and implicate high officials in the "sacred cows" of the F.B.I. and I.R.S.?"

It is a terrible thing, when honest, law abiding Christian American citizens can no longer look with trust to our State and Federal Governments for protection. Such seems to be the case in 1983.

At a news conference on June 13, 1983, held in the Sam Peck Hotel in Little Rock, Arkansas, Professor Ed Gran from the University of Arkansas, Little Rock, called for a Grand Jury investigation of the actions of the I.R.S. and other Federal agencies connected with the deaths of Gordon Kahl, Gene Matthews and the two Marshals killed at Medina, North Dakota.

"The events leading up to these killings must concern us all," Gran said, "How do four people get killed over a couple of bucks in taxes?"

Among charges Gran is asking the Grand Jury to investigate are the "conspiracy to murder Gordon Kahl;" "accessory to the murder of Sheriff Matthews" (he was shot in the back as well as from the front); and "malicious destruction of private property," (which occurred when Federal marshals poured gasoline over the property of the Ginters near Walnut Ridge in early June and destroyed much evidence which might have proved embarrassing to the Government.

Gran said there was probably cause to believe the government is creating such incidents of violence to hide the nature of their tactics. He said: "I fear the government will use this incident to label me and other patriotic Americans around the country as violent, when, to the contrary, our movement has a thirty year history of peaceful activity." This is exactly what has happened and the Israel Identity people were the first to be "tarred with" this government brush of falsehood.

Gran went on to say that unless there was a real investigation of these violent activities and the instigators brought to justice, there will be more senseless slaughter. Gran named two government officials who had been demoted in North Dakota, because they refused to take part in the plot to murder Kahl.

Every evidence in the Kahl Case points to a deliberate provocation on the part of the Federal Marshals, aimed at producing violence. The circumstances surrounding the armed confrontation at Medina are so suspicious that the government cannot allow a Grand Jury to investigate

them.

When Kahl first began his struggle against the I.R.S. in 1977 in Texas, it was reported that an I.R.S. official in Texas had told one of his subordinates: "I want to stamp that s...o...b out."

A U.S. Marshal visited Kahl upon his return from Texas and after examining his probation documents told Kahl in the presence of witnesses: "Your papers are in order - you won't be hearing from me again."

This information was not allowed in the court. When a warrant was issued much later by a Federal Court in Texas, charging Kahl with parole violation, why did they leave him unmolested for almost two years, while he moved openly in the community, then finally attempted to serve a warrant at night, on a country road, in what was evidently a "set up" to kill Kahl?

Darrel Graf, the Police Chief of Medina, at the time of the government ambush, testified in court that he asked the government agents not to arrest Kahl. Other witnesses testified that Graf told them: "There's going to be a shootout and the police are wrong. Kahl is up there and they are going to kill him." It's well to remember, that it was the government officials who opened fire on Kahl at the roadblock, without any attempt to arrest or warn him.

It is apparent that this is part of the muddled situation into which Sheriff Matthews walked on June 3rd in Arkansas. Had he been told the truth about the North Dakota incident? Would he have stayed out of line of fire if he had known? The Medina Police Chief said that he told the Arkansas authorities: "I can't see anyone laying their life on the line over a tax deal. I wouldn't send anyone into an area where I wouldn't go, and I wasn't going in there."

The case of Sheriff Matthews is even stranger, when one considers there was no love lost between the Feds and local lawmen. Numerous incidents have been reported where Federal authorities have told locals: "Butt out!" even to the point of threatening them with arrest if they interfered. Why then did they encourage Matthews to be the first one into the house at Smithville?

Why was Kahl given no attempt to surrender? The report from Smithville, Arkansas read more like some military "search and destroy" mission. All this should be brought out in a Grand Jury investigation. What does the State of Arkansas have to hide that they refuse to convene one?

There is no evidence that the Ginter home was set on fire by a tear gas grenade. I have had some experience with them and can tell you that it would be extremely difficult for one to set off an ammunition explosion. Apparently the authorities did not know how many people were in the house, or if Kahl was holding any hostages and apparently they did not care. Any number of innocent people could have been killed. Folks, something is "rotten in Denmark" in this case and the smell seems to be coming from the direction of Washington. When you look at this entire incident, it sounds like something that would take place in the Soviet Union, rather than the United States.

Was the action at Medina and Smithville part of a bigger government plan which could spell extreme danger for Christian Patriots everywhere? If this type of military ac-

tivity is tolerated, no one is safe anywhere and we have slipped under totalitarian rule. Is the insanity of "1984" already here?

We are entering a time in history, when more and more we see our government as it breaks the law with impunity and its actions are upheld by a crooked court system. It is a time, when the victims of crime are charged with the crime. It is time that we let our Governments, both at State and National level, understand that they are the "servants of the people, NOT OUR MASTERS!"

Many years ago, Supreme Court Justice Story said: "If the people frame a Constitution, then the rulers MUST obey it. Neither ruler, nor the functionaries...have the right to cripple or destroy it, because according to their view, it is inconvenient or unwise." This is what the Zionist led traitors in Washington are attempting to do to us today and this is what "right thinking" Americans MUST stop at any cost!

My call to you today, my fellow Americans, is to rise up in righteous indignation to squelch the treason in high places and take back our government from the aliens who seek to control it. We MUST RETURN this nation once again to become a "government of the people, by the people, and for the people."

History shows us that it is the nature of oppressive governments and those who speak for them, to identify those critical of their misdeeds, as "radicals," "extremists," and "reactionaries." The attempt is made to link those who oppose government oppression, with the least respected elements of society. We hear so much about the extremist of the KKK or the Posse. But when was the last time you heard of the Klan or the Posse burning down a big city? When did they riot and beat up on police; break store windows and loot their contents? No my friend, if you are honest in your appraisal of the national situation, you will have to admit that the terrorist activities and radical problems in America are coming from what we call the "left" and that nine times out of ten, they are Jewish led. To brand the patriotic right as "paranoid" and "mentally unbalanced" is a Talmudic trick to take your mind off the real cause of the problem.

Individuals are often selected whose personal views can be branded as "extremist." The fundamentalists I served faithfully for 18 years have branded me as an "apostate" (one who leaves the faith.) Not because my religious views and teachings have changed, but because I refuse to accept the Jews as God's Chosen. I am neither an extremist or an apostate. I love my country and still believe and follow the teachings of the Bible, with God's help, to the best of my ability. But I am extreme in my views against anything which is trying to destroy my country and my faith. I will fight to the death for both of them. The government likes to put pressure on folks like me and a lot of you, because they would try and force us to act as extremists. This is why we must be very careful in what we say and do. This is why I believe in President Teddy Roosevelt's statement: "Walk softly, but carry a big stick."

I am most careful that the enemy does not put me in a position of compromise, so that when the spotlight of

public attention focuses on what I do and say, it will not bring discredit to my Lord and to my stand for freedom.

Could it be that we are being set up in America for "1984"? I'm speaking now about George Orwell's concept of 1984, not the year itself.

Already our government has access to the "computer chip" which stores, for anyone who has the right code, the statistics of each of our lives. But in the wings, is an even greater potential danger. This is Genetic engineering, which would allow a totalitarian regime to create the sort of passive citizens it wants. Already, in some Communist countries, governments rival Orwell's concepts of repression. Is it headed this way?

Jeremy Rifkin, author of *ALGENY: A CRITIQUE OF THE EMERGING BIOTECHNICAL SOCIETY*, sees genetic recombination technology as one of the greatest threats a free society has ever faced. "Between 1984 and 2084," he writes, "the ultimate political power will come within our grasp, the ability to control the future of all human beings through engineering their entire life process in advance, making them a hostage to their own architecturally designed blueprints. Who will we entrust with the authority to design the blueprints for the future of the human race? Who do we designate to play God? Will the watchful eye of Big Brother be found in the laboratories of the world?"

You can bet your bottom dollar, that at the foundation of this control, will be the powerful hand of Zionism. The skeleton of Big Brother is already in place, all that is needed is a charismatic leader who decides to use the computer bank to control others.

In the book "1984" Orwell wrote: "Everything faded into mist. The past was erased, the erasure was forgotten, the lie became truth. For, after all, how do we know that two and two make four? Or that the force of gravity works? Or that the past is unchangeable? If both the past and the external world exists only in the mind, and if the mind is controllable - what then?" For decades now, under the control of an alien led National Education Association, American history has been changed and twisted out of shape, until now the heroes of America have become its "bad guys," and the scoundrels have become its heroes. All this to control mankind. We cannot allow this to happen. For if we do, we will find that we have sold our BIRTHRIGHT for a STINKING MESS OF JEWISH-SOCIALIST POTTAGE. WE WILL NOT MAKE THIS MISTAKE!!!

FOUR ASIAN NATIONS ARE STEALING OUR JOBS!!! Atari computers and video has moved all of its factories to Asia. The plant at Sunnyvale, Cal. closed and laid off 1700 workers permanently. Apple and Wang computers have moved, along with IBM and Digital, which moved to the Orient several years ago; Intel and National followed suit.

Rockefeller's Chase-Manhattan Bank forecaster said these firms were moving to Hong Kong, Taiwan, Malaysia, Mexico and the Philippines because, "competition is forcing companies to keep labor costs down." The only organizations whose labor force is entirely in the U.S.

are TEXAS and COMMODORE.

This flight of U.S. industry out of the country is TREASON to the nation and our citizens! It could be stopped if our spineless Congress would put up stringent labor trade barriers, which would keep out most of the products which are foreign made. There is no way that American industry can compete with coolie, or slave labor. The very birthright we owe our offspring, is to be able to earn a decent living in the future. It hangs on what our government does now. Write your Congressman and DEMAND that American labor be protected!

For some reason, there is so much information I want to get to you this month, that it will not fit in the newly enlarged 16 page paper. So I have decided to increase it again, this time to twenty pages. (Don't expect this to happen with each issue.) But after all, Uncle Sam will still mail 20 pages for the price of 16, so here goes:

The following information comes from THE CLARION CALL, a fine little newsletter published for many years by Faye Brice, a respected Christian-Patriot, P.O. Box 1073, National City, CA 92050.

"In 1980 the American people elected Ronald Reagan President of the United States, which means that he is the chief administrator of the nation's affairs and the Commander in Chief of the military forces. However, unelected appointees seem to have other ideas about who is supposed to run the Executive Branch of government. The CONSERVATIVE DIGEST, March 1983, carried a story printed in the LOS ANGELES TIMES, which reveals the arrogance and disregard by un-elected appointees for an elected President. I quote from the article:

"In one of the week's most startling developments, White House Chief of Staff James Baker has decided 'with regret' that President Reagan should resign.

"During a candid interview at a nearby video arcade where he frequently goes to unwind, Baker said the President 'doesn't understand our program,' and is increasingly difficult to work with. 'I probably shouldn't say this,' he told reporters, 'but on many issues he has his own agenda. That doesn't fit in with our team concept. I like the President personally, but must consider the good of the Administration.'"

There were millions of Americans who voted for Reagan's "agenda" as he portrayed it during his campaign. I don't recall ever seeing or hearing the name of James Baker and his cohorts on the 1980 ballot!

The article continues:

"Much of the problem with Reagan, according to Baker, is that the President is a rigid ideologue (an adherent to a doctrine or theory) whose ideas may fit on a 3 x 5 card, but not with White House reality. The White House aide complained that he and deputy chief of staff Richard Darman have had to spend as much as an hour and a half arguing Reagan out of deeply held beliefs on taxes, budget policy, Social Security, abortion, school prayer, foreign policy and defense. 'This is time my staff and I would devote to running the government. Instead, we have to hold up necessary action while we explain things to him.'

"Baker added: 'Reagan's resignation would go far towards breaking the administrative logjam at the White House, in which antagonistic factions have been feuding over policy, appointments and United Way donations. As Dave Broder has pointed out, Reagan has in substance abdicated to us already. Why not make it official? The present situation is splitting authority.' (Where does this appointee get his authority in the first place.)

"'If we can unload Reagan and a couple of others, we could come to grips with reality around here.'"

Now I ask you - is this not verification of our statement that the humanist (that means Jewish-Marxist -EDITOR) element has taken over the White House? This bald-faced arrogance and defiance must be addressed. How can such usurpation of authority, such anti-Constitutional government by mere appointees over a duly elected choice of the people for the highest office in the land, be permitted?

When asked by TIME reporters about the risk involved in pressing for Reagan's resignation, Baker said he expected opposition from "off the wall conservatives and fringe elements in the G.O.P. Jesse Helms and Human Events will give their usual tirade, then the whole thing will blow over. These people are hopeless anyway, nothing you can do will ever satisfy them."

"George Bush is the only elected official named on "Baker's Team" and he was "forced" on the voting public. The unelected bureaucrats, the Trilateralists, the one-worlders and Humanist oriented are running the White House and Congress." (UNQ.)

There it is folks, from yet another source. We do not have a legal government in Congress at the present time. What Mrs. Brice failed to say was this bunch of gangsters who are trying to take over the United States, are being run by the International Jewish gangsters, who have said all along, this is the way they would do it. In PROTOCOL III, we read: "But the pivots - the kings (Presidents) on their thrones - are hemmed in by their representatives, who play the fool, distraught by their own uncontrolled and irresponsible power..."

There are strong currents of fear running through the Middle East. The following scenario is haunting the ruling circles of the Arab countries. The Iranian revolution is apt to spread its influence through the rest of the Arab world and raise the spectre of the "Arab Nation" concept, once personified by President Nasser of Egypt.

There is a strong possibility that the present Iranian regime will collapse and be replaced with one identified with the Shi'ite sect of Islam. If this happens, attention could then be turned to the south where the Saudi Arabs have been having considerable trouble with the Shi'ite minority in the oil regions. Because Saudi money has been used to help the Sunni minority in Iran, there is a determination by the Shi'ites to destroy Saudi Arabia. Then the entire Gulf Region could fall to the new political force and into the Soviet camp.

"The judgments of men are formed not from facts as they are, but as they wish them to be. They root through

tons of wheat to find three pieces of chaff, if the chaff tends to weigh their belief and argument. It is not that they want others to know the truth, but to have them believe as they do. Beyond this they do not care. The conceit of man ordinarily forms his criterion of truth."

#### A QUESTION FOR THE ELECTRONIC "KOSHER" EVANGELISTS:

"Please tell us why, if as you say, the Jews are God's chosen, especially selected and protected by Him, why is it that you strive to "convert them to Christianity?" Wouldn't it be more logical to strive to convert Christians to Judaism? If this is the religion of God's elect (according to Swaggart, Falwell and Company), why knock a good thing? If the Jews are loved of God as His own special people, even though some of you admit they may be a bit weird, why try and change them? If they are God's people, shouldn't we strive to be like them? Since they do not believe in Christ and were responsible for murdering Him, why waste your time trying to change them? Or did you ever hear of Falwell or Swaggart ever trying to convert their "old buddy" Begin?"

#### SECTION V — INTELLIGENCE REPORTS.

Much of the foregoing could have been placed in this section. But the purpose of this Intelligence Section is to give you information on underground operations going on in the United States and overseas, which you do not hear about on the TV news, or in your local Jewish controlled newspapers.

At this time OPERATION CABLESPICER has been initiated in the U.S. This information comes from sources close to former Secretary of Defense and World Bank president Robert McNamara. The action of OPERATION CABLESPICER against the citizens of the United States began in February this year. For those of you who are familiar with OPERATION BLUELIGHT AND DELTA, it has now been learned that in February, the Delta segment of master assassins were released against an unsuspecting American public. It is very possible that the U.S. Marshal which murdered Gordon Kahl were part of this elite force. Their mission is to penetrate into Right Wing organizations, locate the leaders of those organizations and then, when so ordered, assassinate the key leaders. These killers, many of them former Green Beret soldiers from Vietnam (believed to number about 200), usually operate in pairs and have the long hair radical look. They were specially selected by COINTELPRO for these missions and have direct communication with the 300th Military Police Command in Livonia, Michigan, which takes its orders directly from the FBI COINTELPRO. (By the way, this is the same outfit which has been training a FEDERAL POLICE FORCE for a number of years.)

There is a lot of evidence that underground units of Hispanics, Blacks, and Viet Cong, are planning to conduct massive attacks against white suburbs in the big cities,

when the time is right. I believe it will be when American troops are fighting on foreign soil.

You are **URGED TO STOCKPILE FOOD, WEAPONS, AMMUNITION AND SUPPLIES, WHILE THEY ARE STILL AVAILABLE!** Some of you may be saying: "We have done that for ten years and nothing has happened yet." Better to be ready, than to be sorry. I bought a fire extinguisher once. I didn't get it because I thought my house was going to burn. But I wanted to have it handy, in case the "joint" ever caught on fire!

Here is some of the latest Intelligence Information coming from various intelligence sources, including some high ranking officers in the military who for obvious reasons must remain anonymous:

1 - There is some reliable information out to the effect that possibly the Korean 747 shot down over the Sea of Japan may have had spy equipment aboard. You see, much as they hate to admit it, our government isn't always "lily white" when it comes to trickery. Two other American planes have been shot down during the same month, a U.S. reconnaissance jet and another unidentified military plane carrying 47 men; not one word about this. Why? What's rotten in Denmark that hasn't been told? (Incidentally, my wife and I were scheduled to fly to Korea on flight 007 as a guest of the Korean government and cancelled our trip two weeks before the incident took place. Could this be the hand of YAHWEH GOD, watching out for one of His watchmen?)

2 - Almost every report we receive indicates a frantic move on the part of the Pentagon to prepare us for an early war. Actions were taking place throughout the military which normally are not seen except immediately prior to going into combat (overseas shots, etc.). The 1st Battalion of the 75th Airborne Regiment from Ft. Stewart, Georgia and the 2nd Battalion from Ft. Lewis, Washington are already in Alaska (and not for maneuvers.) The 2-million Soviet troops in Manchuria, poised for a strike across the Bering Straits, are being supported by (hold your hat now), eight divisions of Red Chinese soldiers. Thought those fellows were bitter enemies? Isn't that what we have been taught? But that's the scoop! Alaska is being reinforced frantically for an attack from the north, including a sizeable shipment of horses. Information indicates that the attack against our northern borders will begin with a massive air attack, spearheaded by Battalion size units of airborne troops, which will assault and totally demolish the Alaska pipeline before heading south.

3 - Information from the Pentagon indicates that the U.S. will be totally geared up for war in Central America by Christmas. Already leaves have been cancelled and men are being prepared for foreign service. We already have 8,000 combat ready troops in Panama.

4 - The 101st and 82nd Airborne Divisions are on "standby" alert. The 1st Battalion of the 327th Regiment of the 101st, an Air Assault Battalion, is already in Alaska. Our European forces are due for heavy reinforcements in the near future.

5 - The Armed Forces is once again promoting Officer Candidate Schools, something which is done only in time

of war to prepare for battlefield losses of junior officers.

6 - Inside information says that the Communists will be allowed to take El Salvadore and Nicaragua, then will regroup and after being resupplied by the Soviets, will attack south toward Panama.

7 - Other information is that Mexico now has four divisions of its troops deployed along its southern boundaries to keep refugees from coming into Mexico.

8 - The 51st A.D.A. (ground-to-air missile) Battalion, plus three other batteries have been emplaced along the Big Bend Area of Texas, with headquarters at Toby Wells. This gives our defense force over 500 missiles to hold off a hostile air attack.

9 - The entire U.S. Military Command is in the advanced stages of war-time preparation.

10 - Two divisions of Soviet tanks have been sighted about 200 miles south of the Mexican Border and are being manned by Cuban troops who were brought home from Angola about eight months ago and have been undergoing intensive armoured training in Cuba.

All this points up to something unusual in the air. We have heard rumors that the Pentagon expects the Soviets to take military action against this country sometime after the first of the year.

I especially urge those of you who live in big metropolitan areas to be especially watchful in the months that lie ahead. Watch for unusual signs, such as increased unrest among minority groups. Don't be caught in the jaws of the "meat grinder" if this thing breaks. Be prepared to move your family to a safer area on a moments notice. This means have gasoline on hand at all times, as you may not be able to get it when the crunch comes. Above all, pray that God will spare His people from the terror which is about to hit us. Things have gone so far now, that America will only be saved by the direct intervention of God and His prepared people.

There is overwhelming evidence that the current tidal wave of illegal alien immigrants which is flooding America has been deliberately created by members of David Rockefeller's Trilateral Commission. The Trilateralists want to achieve "interdependence" between the Anglo-Saxon world and the Third World nations and destroy our high standard of living so that we can be merged more easily into their concept of the "One-World Utopia."

In spite of all the conservative rhetoric coming from President Reagan, he has packed his Administration with Trilateralists and has sold out American interests to this Jewish run group of internationalists.

In his book **BETWEEN TWO AGES**, the founding director of the Trilateral Commission, Zbigniew Brzezinski, predicted that 1989 would be the year for the final and complete destruction of the U.S. Constitution. He called for a "national constitution" convention to re-examine the nation's formal institutional framework - 1989 - the two hundredth anniversary of the Constitution could serve as a suitable target date for a national convention to completely change our Constitution, so that it would fit in with one-world plans.

If the Amnesty Program, approved by the present Ad-

ministration ever succeeds in passing, tens of millions more aliens would come to this already over-burdened country and the Trilateralists would be able to create a gigantic voting bloc of non-white, non-Americans to help them "formally" vote the Constitution out of existence, then set up a Trilateral dummy constitution, which would create the final dictatorship the Zionists have envisioned from the first. In the third section of the PROTOCOLS, we read: "The Constitutional scales of these days will shortly break down, for we have established them with a certain lack of balance in order that they may oscillate incessantly until they wear through the pivot under which they turn. The goyim are under the impression that they have welded them sufficiently strong and they have all along expected them to remain in equilibrium." How many people have you heard who have said: "All we need to do is return this country to the Constitution!" But when an attempt is made to do this in Congress, or our court system, "all hell breaks loose." Why is this? The average American has been blinded to the truth by Jewish propaganda, coming to us through such respected organizations as the CFR and the Trilats. They have controlled one Administration after another, so that no matter whether Republicans or Democrats hold power, the "power behind the throne" remains the same. The International Jews who have insinuated themselves into our government, are all "dual loyalists." While they may have pledged allegiance to the United States, their first allegiance is, has always been, and always will be to the foreign state of the Israeli. It is this same kind of manipulation which is now leading us into a war in the Middle East, not to protect American interests, but to protect the Israeli and International banking interests. No longer must America's sons die for the sake of these robber barons. Now is the time for true Americans to rise and throw off the shackles which have been forged to bind us.

#### AS FREEDOM DIES!

Sleepers awake! The bell has long since rung.  
 Your slumber is your death! The foe has sprung  
 Out of the sacred battlements that rang  
 With freedom. Now the deadly fang  
 Is bared to strike. Awake! Our cherished land  
 Once safe and fearless, innocent and grand,  
 Is wrapped in evil chains they slyly forged  
 On hidden anvils. While you slept, they gutted  
 Their pockets with our wealth, and sucked your blood  
 And bound you in a snare called "brotherhood."  
 America! The free! The undismayed!  
 Where are your laughing sons? Betrayed, betrayed,  
 Bleeding and torn upon some alien hill,  
 Bleak with despair, remote from home, To fill

An empty bargain with a scheming "friend"  
 Who knows the senseless slaughter will not end  
 Until your youth is spent, your strength undone,  
 Your hand made captive - and no victory won!  
 Awake, my country! Listen to your dead!  
 They cry, and reach hands agonized and red  
 With martyr's blood, to snatch you from the fate  
 Of slaves! They cry, "Awake! The hour is late!"  
 And yet you sleep...you sleep...O foolish men,  
 Too blind, too careless, who will fly again  
 The flag you lose? Who will set you free?  
 Who will rebuild your broken liberty?

The bell is silent now...The guns are loud.  
 There is no answer from the sleeping crowd.  
 The masked deceivers smile and spin their net,  
 Teaching their captives to forget  
 The ancient ways of freedom and deny  
 Their flag, their country, and supinely lie  
 Under the shelter of an alien rope,  
 Secure...unquestioning...and stripped of hope!

O land of light! O refuge of the brave,  
 Who crossed the mighty ocean here to save,  
 Their treasured freedom, how your star has dimmed!  
 How cheap has grown the liberty that hymned  
 Your name across the world! How dark the sky  
 Where once your proud old glory once did fly  
 Unchallenged and unmatched, with eagle keen  
 Guarding her folds! How sad the darkened scene -  
 ...AS FREEDOM DIES!...
